Subject: Janet Wolf for Coastal Commission Endorsement

Honorable Santa Barbara Board of Supervisors -- please endorse Chair Janet Wolf's candidacy for appointment to the California Coastal Commission. Supervisor Wolf is the right combination of policy and public service leader to champion finite coastal and marine resources for the state of California. She is always well prepared, reads liberally on issues before her, asks the tough questions and carefully weighs the public and private equities balanced in our state's Coastal Act and will capably represent your district on this vital statewide Commission. She has earned prior endorsements of Los Padres Sierra Club Chapter and League of Conservation Voters. Ms. Wolf has my full support as a statewide coastal advocate who attends CCC hearings and often testifies on key issues for your county. Thanks -- Fran Gibson (California Coastal Access and Protection League) [510.647.9903 and 510.910.6797]

Subject: Please nominate Janet Wolf for Coastal Commission

DEAR SUPERVISORS,

It is so important to have an elected official represent us on the California Coastal Commission. I've been to or listened on line to many Coastal Commission hearings, and it's a huge job and responsibility to serve on this statewide Commission. I've also listened to Supervisor Wolf's comments and questions on coastal issues at your Board meetings.

So I was delighted to learn that Supervisor Janet Wolf is willing to step up to the plate. She has a clear understanding of the land use issues in our community and of the workings of the Commission.

Please support your colleague's appointment by recommending Janet Wolf as your sole recommendation.
