Interests & Experiences

Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.

As I continue my career in the human services non-profit sector, I am seeking a new way to be involved in our community and contribute to the underserved populations of Santa Barbara. You will see from my attached resume that I have years of experience working with agencies like CDPH and TCRC. My positions over the years have ranged from administrative support to Executive Level leadership so I am able to offer a dynamic perspective and insight into the human services non-profit world.

Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.

I served on the Board of Directors of Hinchee Homes for several year and have co-chaired the annual fundraising gala for my son's school (Our Lady of Mt. Carmel). I am a certified QIDP (Qualified Intellectual Disability Professional) and have completed the DDS required New Provider Training for ICF's (Intermediate Care Facilities). I am currently working on completing my B.A. (went back to school many years later...) in Social Sciences from Washington State University.

Education Completed:

I received my high school diploma in 1999, went on to community college in Michigan (Kalamazoo Valley) for about a year and then moved to CA and started life/a family. Although my career has flourished through hard work and commitment over the years, Covid prompted me to go back to college and complete my B.A. I am currently enrolled in classes at Washington State University in their Social Sciences program (my areas of focus for certification are Human Development and Psychology).
