(Formerly known as Probation/District Attorney Narcotics Suppression Program)

Recommendation(s):

That the Board of Supervisors:

- a. Authorize the Chief Probation Officer to submit, sign, and accept the Juvenile Santa Barbara County Narcotic Suppression Program in the amount of \$238,884 for the period July 1, 2005 to June 30, 2006 from the Governor's Office of Emergency Services (OES).
- b. Authorize the Chief Executive Officer to sign the Certification of Assurance of Compliance as part of the grant application.

Alignment with Board Strategic Plan:

The recommendation(s) are primarily aligned with Goal No. 2: Ensure the Public Health and Safety and Provide Essential Infrastructure, and Goal No. 5: Maintain and Enhance the Quality of Life for all Residents.

Executive Summary and Discussion:

The Santa Barbara County Narcotic Suppression Program has received Byrne Memorial Anti-Drug Abuse Grant funding for 14 years. The County Law Enforcement Chiefs and the Alcohol Drug Program Administrator are the grant's required Steering Committee responsible for determining how the Anti-Drug Abuse grant funds available to Santa Barbara County are to be utilized. The grant administrator is the California State Office of Emergency Services (OES). The agencies involved in the grant and the grant objectives remain unchanged. The Fiscal Year 2005-2006 allocation, upon approval, is \$238,884.

As stated in previous Board Letters, this project is a collaborative effort between all local law enforcement agencies to apply certain strategies designed to reduce the flow of narcotics through our county. The project uses searches, buy-bust operations, and street sweeps to accomplish the desired reduction of narcotics. It targets both street level dealers and major vendors operating within Santa Barbara County.

This year's funding will be used to offset the costs of one Deputy District Attorney IV, one Deputy Probation Officer, Sr. and one full-time Office Assistant Senior to be assigned to the Santa Barbara Regional Narcotic Enforcement Team (SBRNET), as well as to offset the costs associated with having a Peace Officer assigned to the Santa Barbara Regional Narcotic Enforcement Team by the Lompoc Police Department, Guadalupe Police Department, Santa Barbara Police Department and the Santa Barbara County Sheriff's Department.

Mandates and Service Levels:

The project, as described, meets the guidelines set forth by the Office of Emergency Services (OES). This is not a mandated program, although many of the services provided are mandated by statutes and court orders. Statutory mandates governing Probation Department services are attached for your review.

Fiscal and Facilities Impacts:

The Fiscal Year 2005-2006 Santa Barbara County Narcotic Suppression Program budget consists of expenditure appropriations of \$238,884. The program expenditures are financed by \$238,884 in Office of Emergency Services (OES) Anti-Drug Abuse Grant revenue account # 4789 (pass-through of federal funds).

The Santa Barbara County Narcotic Suppression Program has no match requirement and does not cause the General Fund contribution to increase. There are no negligible indirect costs to the county.

There are no facilities impacts.
