My interest in serving is to help display public art in North County, especially in the downtown Santa Maria and North Side areas.

I bring over 8 years of professional experience in the art and design industry. I have been working in the animation industry as an artist and designer for 5 years and I've been creating public art all over California and parts of the US and Mexico for the last four years. As a practicing artist I have first hand knowledge of the public art submission process from the artist perspective. I also have four years of design consulting experience for various non-profits and private businesses.

13. ADDITIONAL INFORMATION: Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional sheets as necessary.

I'm a board member of the local non-profit organization Corazon del Pueblo, Cultural and Creative Arts Center of the Santa Maria Valley. It is the first cultural center in the Santa Maria Valley and I created and designed their 2019 Strategic Master Plan. Locally I've facilitated mural design workshops with students at the high school and college level. I've painted six murals or works of public art in Santa Maria. I'm also an active member in the design community on the national level, and contribute to working and displaying public art while collaborating with other national and international artist and designers. On a personal level I would like to have more public art in Santa Maria.
