Summary Text:

The Department of Behavioral Wellness provides specialty mental health services to adults with mental illness and children with serious emotional disturbances, in part through contracted providers. The above referenced contract complies with the Santa Barbara County Contractor on Payroll Policy approved by the Board of Supervisors on October 20, 2015 and has received the concurrence of the CEO/Human Resources Office. Approval of the above listed contract will ensure the continued provision of critical mental health and related services during FY 16-17.

Background:

Behavioral Wellness has experienced continuing difficulty recruiting and retaining psychiatrists in the area. COPs have helped to bridge the gap to provide needed mental health treatment capacity.

This program provides psychiatric medication evaluation, prescriptions, and medication monitoring to stabilize individuals with co-occurring mental illness and substance abuse issues. He will also be providing needed psychiatrist coverage to the Lompoc Mobile Crisis Triage Team.
