

**RESOLUTION OF THE BOARD OF SUPERVISORS  
COUNTY OF SANTA BARBARA, CALIFORNIA**

**In the matter of submitting grant applications to the Resources Agency, State of California, for financial assistance provided through the Coastal Resources Grant Program under Sections 35030 and 35031 of the Public Resources Code.**

**Resolution No. 01-\_\_\_\_\_**

**WITH REFERENCE TO THE FOLLOWING:**

- A. The Legislature of the State of California has enacted Assembly Bill 1431 (Chapter 977 of the Statutes of 1996), which is intended to allocate a portion of federal offshore oil and gas revenue to coastal counties and cities to plan for offshore energy development, to mitigate impacts from such development, and to enhance the management of coastal resources; and
- B. Santa Barbara County is uniquely qualified to receive funding via Assembly Bill 1431 -- 75 of the 79 federal oil and gas leases, 17 of the 35 active state oil and gas leases offshore the State of California are situated offshore Santa Barbara County, and 6.2% of the production from the nation's Outer Continental Shelf program currently comes from offshore Santa Barbara County's coast; and
- C. The California Resources Agency requests all coastal counties and cities applying for grants authorized by Assembly Bill 1431 to conduct a public hearing on their proposed funding requests and submit a resolution executed by the governing board; and
- D. The applications being submitted by Santa Barbara County contain assurances with which the County must comply; and
- E. The County agrees to enter into an agreement with the State of California to carry out the projects which the County proposes for funding.

**NOW, THEREFORE, IT IS HEREBY RESOLVED** as follows:

1. The above recitations are true and correct.
2. During its regularly scheduled meeting on June 5, 2001, the Board of Supervisors held a public hearing on the County's intent to apply for funding from the AB 1431 Coastal Resources Grant Program, and provided interested citizens with the opportunity to comment on the projects being proposed for funding.
3. The Board of Supervisors hereby approves the filing of applications for grant assistance to fund those projects listed in Exhibit A of this Resolution and authorizes the Director of the Planning and Development Department to coordinate the submittal of applications to the Resources Agency on behalf of the Parks Department, the Public Works Department, and the Planning and Development Department.
4. The Board of Supervisors appoints John Patton, Director of the Planning and Development Department Jennifer Briggs, Director of the Parks Department, and Phil Demery, Director of the Public Works Department as agents of the County of Santa Barbara, with authority to accept awards of grants from the California

Resources Agency for their respective departments, and to negotiate, execute and carry out contractual agreements for such grants.
