Interests & Experiences

Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.

I value historic architecture, and I feel I can contribute to the objectives of HLAC. In the 1970's while living in Columbus, Ohio, I was the lead Architect for the restoration of Hayes Hall, the oldest building on the Ohio State University campus. In Seattle my wife and I purchased a 1922 home (as only the second owner), which we carefully restored and preserved. It is now has landmark status.

Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.

I graduated with a degree in Architecture from the University of Illinois in 1968, and passed the Indiana licensing examination in 1969. I worked as an Architect for 9 years in Columbus, Ohio. I continued my career in Seattle, WA, for 30 more years. For 25 of those years I was an owner of the firm and specialized in the design of healthcare facilities. Firm names: Veninga & Salogga and NAC Architecture. I retired in 2009. I have traveled extensively to many parts of the world, gaining an appreciation of many cultures and their architecture. Since moving to Goleta in 2014, I have served on the board of our home owners association, a 109 unit development, mostly as the president. I have now decided not to do that any longer. Since retiring I have not kept a resume.
