Dear Board of Supervisors,  
I am not able to attend today's meeting, but I wanted to express my strong support in favor of the Glen Annie housing proposal. This proposal will positively impact families and employers. It is a GREAT use of the space. I live in the neighborhood and will be directly affected by the housing. Even though it may mean more traffic, the benefits to our community and our county far outweigh the costs.

As an employer, I can tell you that I have lost many excellent preschool teachers and childcare workers because there is no housing availability. I love the idea of housing being available close to our place of business.

Please vote in favor of rezoning the Glen Annie Golf Course for housing. It's a great plan and it is time!

Sincerely,  
Lori Goodman
