COUNTY OF SANTA BARBARA  
CLERK OF THE  
BOARD OF SUPERVISORS

2014 MAR -4 PM 1:49

Subject: Nonconforming Use Hearing APN 135-330-020

Dear Board of Supervisors:

My wife and I own and reside on the adjacent parcel immediately north of the Groves. I have provided a declaration to Mr. Rose concerning the structure under consideration which you should have received so will not repeat myself.

The County Codes are revised over time, and I believe their purpose is to provide guidance and protection for all residents of the County. I ask that the Board of Supervisors enforce the existing County Codes as they are currently written without exemptions. If exemptions are going to be granted, the codes should be revised accordingly so all residents of the County can have a clear understanding of what the codes really mean at any given point in time.

Sincerely,

John Jones
