**If you are now, or have ever been employed by the County of Santa Barbara, please list the department in which you worked, your title, and the dates you were employed.**

No

**Interests & Experiences**

**Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.**

I have worked as an EFL/ESL and Special Ed teacher in Greece with very diverse populations. Upon returning to SB County in 2016 I returned to school to complete a degree in Psychology and pursue my MS. I would like to gain in-depth understanding of our county's behavioral wellness landscape and contribute to improving community interaction.

**Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.**

I grew up in 4-H and Scouting in the Santa Ynez Valley which instilled an appreciation for volunteer work in me from early on. As a student in Los Angeles in the mid 1980s I volunteered when possible at homeless shelters in DTLA where I was living. In Greece I was a volunteer teaching assistant at a daytime activity center for adult individuals with physical and or intellectual differences. As an ESL teacher on the islands of Paros and Crete I frequently worked with children of diverse cultural backgrounds with specific learning difficulties and youths navigating family related trauma including exposure to mental illness and substance abuse. I am passionate about supporting individuals and families in healing and proactively working to broaden their opportunities.
