RE: COUNTY BOARD OF SUPERVISORS' APPOINTMENTS TO THE SANTA BARBARA
COUNTYWIDE OVERSIGHT BOARD

Dear Supervisor Williams:

In accordance with Senate Bill No. 107 (SB 107), Health and Safety Code (HSC) Section 34179(j), the six redevelopment oversight boards currently in place in Santa Barbara County will consolidate into one Santa Barbara Countywide Oversight Board effective July 1, 2018. Pursuant to HSC Section 34179(j)(1) and HSC Section 34179(j)(6), the Santa Barbara County Board of Supervisors may make the following appointments

- one member to represent the County and
- one member of the public.

This letter serves as a formal request for the Board of Supervisors to make the County and public member appointments to the Santa Barbara Countywide Oversight Board. It is our desire to have all appointments in place by May 15, 2018, to allow sufficient time to provide training to appointees and finalize procedures prior to the July 1, 2018, effective date.

To ensure a quorum for each meeting, we also recommend the Board of Supervisors appoint alternates to serve on the Santa Barbara Countywide Oversight Board in the event that the primary appointees are unavailable. HSC Section 34179(a)(11) allows appointing authorities to make alternate appointments. In the event an oversight board position is not filled by July 15, 2018, or at any time a position remains vacant for more than 60 days, the Governor may make the appointment.

Once the Board of Supervisors has selected the primary and alternate appointees, please forward their information directly to:
