Summary Text:

This item is on the agenda to extend BC17-228 with Big Green Cleaning Company for monthly, Countywide janitorial services and BC17-229 for supplies and additional, on-demand, Countywide janitorial services which are not covered in BC17-228 for an additional twenty-four (24) months. General Services went out to bid in October 2016 and both contracts were awarded to Big Green Cleaning Company. Since that time, Big Green has exceeded the expectations to handle the volume of cleaning and requests from County Personnel. Forty-one (41) onsite inspections were made and all Building Coordinators reported satisfactory or above comments.

Background:

The County will continue to receive basic janitorial services with BC17-228. The net increase to the County for the janitorial services is 2.2% when compared to current invoices for all of the buildings, which will receive services under Amendment 1.

In BC 17229, Big Green Cleaning Company will provide janitorial supplies and additional, on-demand janitorial services that are not covered in BC17-228. Amendment 1 will provide for supplies and services such as emergency cleaning, additional floor care, chair cleaning, and furniture moving will be available to and paid for directly by departments. Amendment 1 will increase by 235,000.00, not to exceed \$375,000.00.

Performance Measure:

General Services will continue to closely monitor the vendor's performance to ensure adherence to Section 7 Standard of Performance in the Agreement for Services of Independent Contractor. General Services will be conducting, at a minimum, thirty six (36) onsite inspections to monitor the vendor's responsiveness to requests and ability to keep County facilities at the level of cleanliness expected by the County.

Dear Customers:

Please provide this information to your CPA's, Auditors or Controllers.

As you may be aware, the State of California recognized the Janitorial Services Industry [as well as the Car Wash Industry] as types of business that are fraught with illegal activity as it pertains to protection of employees. A large percentage of companies in these industries have paid employees in cash thus circumventing workers compensation coverage, social security contributions and wage and hour requirements. To combat this practice California's Property Service Workers Protection Act went into effect July 1, 2018.

Not only does this Act protect the employees but it will also insure that the government is receiving their fair share income, social security and SDI taxes from businesses that had been operating under a "cash" system.

The Property Service Workers Protection Act requires all janitorial service providers who hire as few as one janitor to register with the California Department of Industrial Relations. Each registered service provider must maintain bookkeeping records documenting proper payment to all employees and must also provide sexual harassment training. There are registration requirements and an annual fee of \$500.00.

One unusual enforcement strategy of this Act is that both the service provider and any person or entity that hires a janitorial service provider are subject to fines. A service provider that is not registered is subject to a penalty of \$100.00 per day not to exceed \$10,000.00. Any person or entity that enters into a contract with a non-registered service provider is subject to a fine of \$2,000.00 to \$10,000.00 for the first violation and \$10,000.00 to \$25,000.00 for a subsequent violation.

The good news is that **Big Green Cleaning Company** is registered with the DIR. Attached is a certificate of our registration that is valid through August 6, 2019. Please provide a copy of this registration to your CPA, Auditors or Controllers. A copy of our new certificate will be provided to you when we renew our registration in August 2019.

For more information about the Property Service Workers Protection Act please visit this site on the Department of Industrial Relations webpage:

Thank you again for providing us the opportunity to serve your cleaning needs.

If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.
