Summary Text:

This item is on the agenda in order to approve the DSS and DHA enter into a MOU regarding the provision of CAPI services. DSS recommends approving the MOU for the period commencing July 1, 2015 and ending June 30, 2020.

Background:

The 1998 Budget Act Implementation Bill for Social Services (AB2779, Chapter 329) required a new program which authorized a state funded CAPI. California Department of Social Services (CDSS) established and supervised a county or multi-county consortia-administered program to provide cash assistance to certain aged, blind and disabled legal immigrants who are no longer eligible for Supplemental Security Income/State Supplementary Payment (SSI/SSP) benefits solely due to the immigrant provisions of Public Law 104-193 and its amendments.

The consortium of county welfare departments, known as the North State/Orange CAPI Consortium (NSOCC), a multi-county consortium has been established to provide the mandated payments to eligible immigrants.

DHA has responsibility for determining eligibility to the CAPI program and issuing payments, therefore, the purpose of the MOU is to: 1) establish and maintain an effective working relationship between the DHA and the DSS, which is a NSOCC member county, and 2) provide an efficient process to secure CAPI applications, determine eligibility, make aid payments, maintain case records, and create reports for NSOCC members.
