

## Cannabis Storefront Retail Criteria-based Scoresheet – Neighborhood Compatibility Proposal

**HOLD UNTIL AFTER COMPLETION OF NEIGHBORHOOD PLANNING AREA MEETINGS**

This scoresheet is to only be used to review applications submitted and have been determined to be accepted consistent with Section 50-7.d.3.v.

Criteria #	Criteria Definition	Maximum Weight for Ranking
1	<b>Site visit</b> – Site visits would include the proposed retail business location and any other cannabis related business sites in Santa Barbara County.	20%
2	<b>Customer education plan</b> - Quality and detail of plan for educating customers regarding cannabis products, including the potency and effects of products, as well as variety.	5%
3	<b>Community education plan</b> – A plan describing the type of cannabis education and prevention efforts that will be provided by the business to the community.	5%
4	<b>Community involvement plan</b> – A plan incorporates ideas and suggestions from Neighborhood Compatibility priorities developed at the public meeting and consistent with community plan standards. Plan should include a demonstrated level of support in other jurisdictions.	30%
5	<b>Interior and exterior design plan</b> - Quality and detail of a contextual exterior design which reflects the best of the County's architectural traditions, the use of quality materials and the level of investment that can be expected for the architecture, landscaping, signage, lighting, entry experience, parking, etc. A description and examples of how the business would enhance the exterior of the building is encouraged. Quality of fit within the community plan area (integration into existing urban fabric and architectural landscape).	10%
6	<b>Odor control plan</b> - Quality of ventilation and air purification system, including demonstrated effectiveness (may include examples of where a similar system has worked effectively).	10%
7	<b>Onsite parking</b>	10%
8	<b>Business Operations Proposal</b>	10%
<b>Total</b>		100%
