Health Care Services and County, the Federal Government may pursue available remedies including, but not limited to, suspension and/or debarment.

- C. This Agreement is a covered transaction for purposes of 2 C.F.R. part 180 and 2 C.F.R. part 376. Contractor covenants that Contractor presently has no employment or interest and shall not acquire any employment or interest, direct or indirect, including any interest in any business, property, or source of income, which would conflict in any manner or degree with the performance of services required to be performed under this Agreement. Contractor further covenants that in the performance of this Agreement, no person having any such interest shall be employed by Contractor. Contractor must promptly disclose to the County, in writing, any potential conflict of interest. County retains the right to waive a conflict of interest disclosed by Contractor if County determines it to be immaterial, and such waiver is only effective if provided by County to Contractor in writing. Contractor acknowledges and agrees to comply with state laws on conflict of interest in the performance of this Agreement including, but not limited to, the Political Reform Act of 1974 (Gov. Code, § 81000 et seq.), Public Contract Code Section 10365.5, and Government Code Section 1090.

The judgment of any court of competent jurisdiction, or the admission of Contractor in any action or proceeding against Contractor, whether County is a party thereto or not, that Contractor has violated any such ordinance, statute, regulation, order, policy, procedure, directive, guidance, bulletin, information notice, and/or letter shall be conclusive of that fact as between Contractor and County.
