Subject: A-43. The adjustment of wages and new hire incentive for the Job Classification of Veterinarian

Caution: This email originated from a source outside of the County of Santa Barbara. Do not click links or open attachments unless you verify the sender and know the content is safe.

Please approve the recommended adjustments and the wage addition of a new hire incentive for the Veterinarian classification. As the board letter states this adjustment is long overdue and much needed, I appreciate the efforts that members of your Board have made to move this matter forward.

Sincerely
Jean Silva
