1. Definitions.

"Additional Product" means any Product identified as such in the Product Terms, excluding any Server and Tools Product, and chosen by Enrolled Affiliate under this Enrollment.

"Azure Government Services" means one or more of the services or features Microsoft makes available to Enrolled Affiliate under this Enrollment and identified at <http://azure.microsoft.com/en-us/regions/#services>, which are Government Community Cloud Services.

"Baseline Agreements" means all Microsoft license agreements, including, without limitation, volume licensing agreements, OEM licenses and retail licenses, under which any Affiliate in the Enterprise uses the selected Server and Tools Products. Baseline Agreements do not include any Service Provider License Agreements or Independent Software Vendor Royalty License and Distribution Agreements under which the Enterprise has the right to provide software services or unified solutions to unaffiliated end users.

"Baseline Licenses" means Existing Baseline Licenses and New Baseline Licenses, collectively.

"Community" means the community consisting of one or more of the following: (1) a Government, (2) an Enrolled Affiliate using eligible Government Community Cloud Services to provide solutions to a Government or a qualified member of the Community, or (3) a Customer with Customer Data that is subject to Government regulations for which Customer determines and Microsoft agrees that the use of Government Community Cloud Services is appropriate to meet Customer's regulatory requirements. Membership in the Community is ultimately at Microsoft's discretion, which may vary by Government Community Cloud Service.

"Existing Baseline Licenses" means all Licenses in use by any Affiliate in the Enterprise for the selected Server and Tools Products that were obtained under any Baseline Agreement before this Enrollment.

"Expiration Date" means the date upon which the Enrollment expires.

"Federal Agency" means a bureau, office, agency, department or other entity of the United States Government.

"Government" means a Federal Agency, State/Local Entity, or Tribal Entity acting in its governmental capacity.

"Government Community Cloud Services" means Microsoft Online Services that are provisioned in Microsoft's multi-tenant data centers for exclusive use by or for the Community and offered in accordance with the National Institute of Standards and Technology (NIST) Special Publication 800-145. Microsoft Online Services that are Government Community Cloud Services are designated as such in the Use Rights and Product Terms.

"Microsoft Azure Services" means one or more of the Microsoft Azure services or features made available to Enrolled Affiliate under this Enrollment by Microsoft and identified at <http://www.windowsazure.com/en-us/home/features/overview/>, except Microsoft Azure Marketplace (which is governed by separate terms).

"New Baseline Licenses" means the quantity of Licenses for Server and Tools Products ordered under this Enrollment in excess of the Existing Baseline Licenses.

"Product Family" or "Family" means the group of Products designated as a Product Family on the Product Selection Form.

"Product Selection Form" means the document provided by Microsoft or Enrolled Affiliate's Reseller that (1) identifies all Baseline Licenses, (2) defines the Product Families, (3) establishes the Enrolled Affiliate's price levels for each Product pool and (4) specifies the minimum quantity of Licenses that must be ordered to qualify for this Enrollment.

"Reseller" means an entity authorized by Microsoft to resell Licenses under this program and engaged by an Enrolled Affiliate to provide pre- and post-transaction assistance related to this agreement.

"State/Local Entity" means (1) any agency of a state or local government in the United States, or (2) any United States county, borough, commonwealth, city, municipality, town, township, special purpose district,

or other similar type of governmental instrumentality established by the laws of Customer's state and located within Customer's state's jurisdiction and geographic boundaries.

"Use Rights" means, with respect to any licensing program, the use rights or terms of service for each Product and version published for that licensing program at the Volume Licensing Site and updated from time to time. The Use Rights include the Product-Specific License Terms, the License Model terms, the Universal License Terms, the Data Protection Terms, and the Other Legal Terms. The Use Rights supersede the terms of any end user license agreement (on-screen or otherwise) that accompanies a Product.

"Volume Licensing Site" means <http://www.microsoft.com/licensing/contracts> or a successor site.

2. Product Use Rights and Service Level Agreement.

Enrolled Affiliate and its Enterprise may download, install and use software Products and access and use Online Services ordered under this Enrollment subject to the terms of this Enrollment, the applicable Use Rights and the Product Terms. In addition to applicable use rights terms of the Enterprise Agreement, the following terms apply to this Enrollment:

- a. All terms and conditions applicable to Microsoft Azure Services also apply to Azure Government Services, except as otherwise noted in the Use Rights and this Enrollment.
- b. **Use Rights for Server and Tools Products.** For Server and Tools Products, if a new Product version has more restrictive use rights than the version that is current at the start of the applicable initial or renewal term of the Enrollment, those more restrictive use rights will not apply to Enrolled Affiliate's use of that Product during that term.

3. Order requirements.

a. Minimum order requirements.

(i) Server and Tools Products.

- 1) **Existing Baseline Licenses.** When ordering a Server and Tools Product other than Microsoft Azure, Enrolled Affiliate must identify all Existing Baseline Licenses for the applicable Server and Tools Product Family. Perpetual Licenses owned by the Enterprise but not identified as Existing Baseline Licenses in the applicable Product Family at the start of this Enrollment may not be used during this Enrollment term.
- 2) **Initial Order.** Enrolled Affiliate's initial order must meet the minimum purchase requirements for at least one Product Family. For every applicable Product Family except Microsoft Azure the initial order must also include the following:
 - A. Software Assurance on all perpetual Existing Baseline Licenses that have been continuously covered under Software Assurance;
 - B. License with Software Assurance or Subscription License for each Existing Baseline License that has not been continuously covered under Software Assurance; and
 - C. License with Software Assurance or Subscription Licenses for all New Baseline Licenses.
- 3) **Effect of Subscription License coverage on Existing Baseline Licenses.** If Enrolled Affiliate orders Subscription Licenses for any Existing Baseline Licenses, the following provisions will apply for the duration of this Enrollment, notwithstanding any provisions to the contrary in the Baseline Agreements:

- A. The use rights for those Existing Baseline Licenses will be superseded and replaced by the use rights for the Subscription Licenses.
 - B. The Existing Baseline Licenses shall be non-transferrable.
 - C. The Enrolled Affiliate and its Affiliates must continue to perform any obligations under their Baseline Agreement(s), including but not limited to making payments for any of the Existing Baseline Licenses.
 - D. When this Enrollment expires or is terminated, the Enrolled Affiliate or its Affiliates, as applicable, will have the rights under the Baseline Agreement(s) that it had as of the effective date of this Enrollment, unless it exercises its buy-out option as provided in this Enrollment.
- b. **Additional Products.** Upon satisfying the minimum order requirements above, Enrolled Affiliate may order Additional Products and Services.
 - c. **Country of Usage.** Enrolled Affiliate must specify the countries where Licenses will be used on its initial order and on any subsequent orders.
 - d. **Resellers.** Enrolled Affiliate must choose and maintain a Reseller authorized in the United States. Enrolled Affiliate will acquire its Licenses through its chosen Reseller. Orders must be submitted to the Reseller who will transmit the order to Microsoft. The Reseller and Enrolled Affiliate determine pricing and payment terms as between them, and Microsoft will invoice the Reseller based on those terms. Throughout this Agreement the term "price" refers to reference price. Resellers and other third parties do not have authority to bind or impose any obligation or liability on Microsoft.
 - e. **Adding Products.**
 - (i) **Adding new Products not previously ordered.**
 - 1) New Server and Tools Products may be added by contacting a Microsoft Account Manager or Reseller.
 - 2) New Server and Tools Products included in a previously ordered Product Family may be added at any time but must be included in the next annual true-up order.
 - 3) Orders for new Additional Products, other than Online Services, must be placed in the month the Additional Product is first used.
 - 4) Subscription Licenses for new Online Services other than Microsoft Azure Services must be ordered prior to use.
 - 5) Microsoft Azure Services may be added as provided in the Product Terms.
 - (ii) **Adding Licenses for previously ordered Products.**
 - 1) Additional Licenses for previously ordered Products may be added at any time but must be included in the next annual true-up order.
 - 2) Additional Subscription Licenses for Online Services must be ordered prior to use unless the Online Services are (1) identified as eligible for true-up in the Product Terms or (2) included as part of other Licenses.
 - f. **True-up requirements.** Enrolled Affiliate must submit an annual true-up order that accounts for any changes since the initial order or last order. If there are no changes, then an update statement must be submitted instead of a true-up order.
 - (i) **Annual order period.** A true-up order or update statement must be received by Microsoft between 60 and 30 days prior to each Enrollment anniversary date. The third-year true-up order or update statement is due within 30 days prior to the Expiration Date. Enrolled Affiliate may submit true-up orders more often to account for increases in Product usage,

but an annual true-up order or update statement must still be received by Microsoft during the annual order period.

- (ii) **True-up order.** Enrolled Affiliate must determine the maximum number of Products used since the latter of the initial order, the last true-up order, or the prior anniversary date and submit a true-up order that accounts for any increase. For Subscription Licenses for Products other than Online Services, the true-up order must indicate the initial use date(s) for each additional Subscription License ordered. For Online Services identified as eligible for true-up in the Product Terms, Enrolled Affiliate may place a reservation order for the additional Licenses prior to use, and payment may be deferred until the next true-up order. Microsoft will provide a report of Reserved Licenses ordered but not yet invoiced to Enrolled Affiliate and its Reseller. Reserved Licenses will be invoiced retrospectively to the month in which they were ordered.
- (iii) **Update statement.** An update statement must be submitted if there has been no change in the number of Products used within Enrolled Affiliate's Enterprise since the latter of the initial order, the last true-up order, or the prior anniversary date. This update statement must be signed by Enrolled Affiliate's authorized representative.

- (iv) **Subscription License reductions.** Enrolled Affiliate may reduce the quantity of Subscription Licenses only on the Enrollment anniversary date on a prospective basis if permitted in the Product Terms as follows:

- 1) For Server and Tools Products available as Subscription Licenses, Licenses may be reduced only as long as the minimum order requirements are maintained. If reducing Subscription Licenses that cover Existing Baseline Licenses, Enrolled Affiliate may not use or transfer those Existing Baseline Licenses for the remainder of the term.
- 2) For Online Services available as Additional Product Subscription Licenses, Enrolled Affiliate may reduce the Licenses. If the License count is reduced to zero, the applicable Subscription License will be cancelled.

Subscription Licenses added after the initial order may not be reduced on the anniversary date immediately following the order but must remain in effect at least until the subsequent anniversary date. Notwithstanding the foregoing, Microsoft Azure Monetary Commitment added after the initial order may be reduced on any anniversary date. Invoices will be adjusted to reflect any reductions in Subscription Licenses and will be effective as of the Enrollment anniversary date. Except as otherwise prohibited in this section, Enrolled Affiliate may reduce Subscription Licenses on or before the Enrollment anniversary date and place a reservation order for such licenses within 90 days after the anniversary date; however, any licenses ordered as described in this sentence will be invoiced to the Enrolled Affiliate for the time period the licenses were made available.

- (v) **Late true-up order.** If the annual true-up order is not received when due:

- 1) Microsoft will invoice Enrolled Affiliate's Reseller for the following year for the quantity of Subscription Licenses ordered in the prior year; however, such invoice will not constitute a waiver of the annual order requirement;
- 2) Subscription License reductions will not take effect until the following Enrollment anniversary date (or at Enrollment renewal, as applicable); and
- 3) Microsoft may invoice Enrolled Affiliate's Reseller for all Reserved Licenses not previously invoiced.

- g. **Step-up Licenses.** For Licenses eligible for a step-up under this Enrollment, Enrolled Affiliate may step-up to a higher edition or suite as follows:

- (i) For step-up Licenses included on an initial order, Enrolled Affiliate may order according to the true-up order process.

- (ii) If step-up Licenses are not included on an initial order, Enrolled Affiliate may step-up initially by following the process described in the Section titled "Adding new Products not previously ordered," then for additional step-up Licenses, by following the true-up order process.
- h. **Clerical Errors.** Microsoft may correct clerical errors in this Enrollment, and any documents submitted with or under this Enrollment, by providing notice by email and a reasonable opportunity for Enrolled Affiliate to object to the correction. Clerical errors include minor mistakes, unintentional additions and omissions. This provision does not apply to material terms, such as the identity, quantity or price of a Product ordered.
- i. **Verifying compliance.** Microsoft may, in its discretion and at its expense, verify compliance with this Enrollment as set forth in the Agreement.

4. Pricing.

- a. **Price levels.** Each Product is assigned to a Product pool as shown on the Product Terms. Price levels (A, B, C, or D) are set separately for each pool. Price levels for the applicable Product pools are set forth in the Product Selection Form. Enrolled Affiliate's price level for each Product pool under this Enrollment will be Level D.
- b. **Setting prices.** Enrolled Affiliate's prices for each Product or Service will be established by its Reseller. Unless otherwise expressly agreed to by the parties and except for Online Services designated in the Product Terms as being exempt from fixed pricing, Microsoft's prices for Resellers for each Product or Service ordered (except for Microsoft Azure Services) are fixed throughout the applicable Enrollment term.

5. Payment terms.

- a. **License with Software Assurance and Software Assurance.** For the initial and any renewal order for License with Software Assurance and Software Assurance, Enrolled Affiliate may pay upfront or elect to spread its payments over the applicable Enrollment term. If an upfront payment is elected, Microsoft will invoice Enrolled Affiliate's Reseller in full upon acceptance of this Enrollment. If spread payments are elected, Microsoft will invoice Enrolled Affiliate's Reseller in three equal annual installments unless indicated otherwise. The first installment will be invoiced to Enrolled Affiliate's Reseller upon Microsoft's acceptance of this Enrollment and additional installments will be invoiced on each Enrollment anniversary date. Subsequent orders will be invoiced to Enrolled Affiliate's Reseller upon acceptance of the order and must be paid upfront.
- b. **Subscription Licenses (except Microsoft Azure Services).** Microsoft will invoice Enrolled Affiliate's Reseller annually in full upon acceptance of each order. Microsoft will invoice Reseller for annual orders on each Enrollment anniversary date. Subsequent orders are invoiced upon acceptance of the order and Enrolled Affiliate may elect to pay annually or upfront.
- c. **Microsoft Azure services.** Invoicing for Microsoft Azure Services is described in the Product Terms.

6. End of Enrollment term and termination.

- a. **General.** At the Expiration Date, Enrolled Affiliate must immediately order and pay for Licenses for Products it has used but for which it has not previously submitted an order.
- b. **End of term rights for Server and Tools Products.** Provided Enrolled Affiliate has paid for all required Licenses, including any Baseline Licenses, on the Expiration Date Enrolled Affiliate will have the following rights:

- (ii) **Buy-out order date.** Microsoft must receive the buy-out order no more than 30 days prior to the Expiration Date. The Expiration Date will be the invoice date for the buy-out order.
- f. **Termination for cause.** Any termination for cause of this Enrollment will be subject to the "Termination for cause" Section of the Agreement. In addition, the following will constitute a breach of this Enrollment: (1) Enrolled Affiliate or any Affiliate in the Enterprise fails to timely pay for any existing Baseline License, (2) any existing Baseline Agreement is terminated for cause prior to full payment, or (3) Enrolled Affiliate or any Affiliate in the Enterprise that uses Government Community Cloud Services fails to meet and maintain the conditions of membership in the definition of Community.
- g. **Early termination.** If Enrolled Affiliate terminates this Enrollment as a result of a breach by Microsoft, or if Microsoft terminates this Enrollment because Enrolled Affiliate has ceased to be Customer's Affiliate, then Enrolled Affiliate will have the following options for Licenses, excluding Subscription Licenses:
 - (i) It may immediately pay the total remaining amount due, including all installments, in which case, Enrolled Affiliate will have perpetual rights (1) for Server and Tools Products, as described in the section entitled "End of Term rights for Server and Tools Products" and (2) for Additional Products, for all Licenses (excluding Subscription Licenses) it has ordered (for the latest version of Products ordered under Software Assurance coverage in an initial or renewal term); or
 - (ii) It may pay only amounts due as of the termination date, in which case Enrolled Affiliate will have perpetual Licenses (for the latest version of Products ordered under Software Assurance coverage in an initial or renewal term) for (1) all copies of Products for which payment has been made in full, and (2) a proportional number of copies of Products it has ordered for which payment has been made.
- h. **Early termination for Subscription Licenses.** Notwithstanding anything to the contrary in any of the documents that collectively constitute the Enterprise Agreement, if an Enrolled Affiliate terminates its Enrollment as a result of a breach by Microsoft, or if Microsoft terminates this Enrollment because Enrolled Affiliate has ceased to be Customer's Affiliate, then Enrolled Affiliate will have the following options with respect to Subscription Licenses:
 - (i) Enrolled Affiliate may obtain perpetual Licenses as described in the section entitled "Buy-out option," provided that Microsoft receives the buy-out order for those Licenses within 60 days after Enrolled Affiliate provides notice of termination.
 - (ii) If not exercising the buy-out option, Enrolled Affiliate will receive a credit for any amount paid in advance that would apply after the date of termination.
- i. **Early termination for Online Services.** For Online Services, if an Enrolled Affiliate terminates its Enrollment as a result of a breach by Microsoft, or if Microsoft terminates this Enrollment for regulatory reasons or because Enrolled Affiliate has ceased to be Customer's Affiliate, then Microsoft will issue Reseller a credit for any amount paid in advance for the period after termination.

7. Government Community Cloud.

- a. **Community requirements.** If Enrolled Affiliate purchases Government Community Cloud Services, Enrolled Affiliate certifies that it is a member of the Community and agrees to use Government Community Cloud Services solely in its capacity as a member of the Community and, for eligible Government Community Cloud Services, for the benefit of end users that are members of the Community. Use of Government Community Cloud Services by an entity that is not a member of the Community or to provide services to non-Community members is strictly prohibited and could result in termination of Enrolled Affiliate's license(s) for Government Community Cloud Services without notice. Enrolled Affiliate acknowledges that only Community members may use Government Community Cloud Services.

- b. All terms and conditions applicable to non-Government Community Cloud Services also apply to their corresponding Government Community Cloud Services, except as otherwise noted in the Use Rights, Product Terms, and this Enrollment.
- c. Enrolled Affiliate may not deploy or use Government Community Cloud Services and corresponding non-Government Community Cloud Services in the same domain.
- d. **Use Rights for Government Community Cloud Services.** For Government Community Cloud Services, notwithstanding anything to the contrary in the Use Rights:
 - (i) Government Community Cloud Services will be offered only within the United States.
 - (ii) Additional European Terms, as set forth in the Use Rights, will not apply.
 - (iii) References to geographic areas in the Use Rights with respect to the location of Customer Data at rest, as set forth in the Use Rights, refer only to the United States.

- a. "Lead Enrollment" means the Enrollment number listed at the top of this Amendment.
- b. "Tenant" means the environment established by Microsoft on its multi-tenant servers from which Online Services are hosted for Enrolled Affiliate's Enterprise.
- c. More information about Tenants may be found in the applicable Services Descriptions posted to the following or a successor site Microsoft identifies: <http://technet.microsoft.com/en-us/library/jj819284.aspx>
- d. "Tenant Administrator" means any licensed user of a Tenant that has their role set to "Global Administrator" in their profile settings in the Tenant User Administration page of the tenant portal. A Tenant can have multiple users configured as "Global Administrator" and in this case there is no differentiation of technical capabilities between them, they are each Tenant Administrators for that Tenant and can perform their technical functions unilaterally. The login credentials must be unique across the entire global system for each user, including but not limited to, users that are configured as Tenant Administrators. Each Tenant will require Tenant Administrator(s).

2. Tenant Enrollment terms.

- a. Customer Data in each Tenant is logically isolated from Customer Data in other Tenants, and each Tenant is managed separately by Tenant Administrator(s) using entirely different login credentials. Two Tenants may not share Tenant Administrator(s) with the same login credentials or share data objects such as address lists or SharePoint Online sites.
- b. To enable multiple Tenants for Online Services Plans, as identified in the Product Terms, Enrolled Affiliate can request assignment of an enrollment number ("Tenant Enrollment") for each Affiliate (or a department or division thereof), or subset of Affiliates, included in its Enterprise, or a department or division of Enrolled Affiliate, that require separate Tenants ("Tenant Affiliate"). Tenant Enrollments may only be established for Affiliates (or a department or division thereof) included in the Enrolled Affiliate's Enterprise in the "Enrolled Affiliate's Enterprise" section of the Enrollment or for a department or division of Enrolled Affiliate.

- c. To facilitate Tenant Enrollments for Tenant Affiliates, the parties agree that an enrollment number will be assigned for each Tenant Affiliate listed in the Tenant Information Excel Form attached as an Appendix to this Amendment. Enrolled Affiliate hereby accepts the terms and conditions of the Lead Enrollment on behalf of each Tenant Affiliate. Enrolled Affiliates represents and warrants that it has the right, power, and authority to accept on behalf of Tenant Affiliate.
- d. Notwithstanding that the Tenant Affiliates listed in the Tenant Information Excel Form attached as an Appendix will appear as Enrolled Affiliates in Microsoft's Volume Licensing Servicing Center ("VLSC"), Enrolled Affiliate acknowledges and agrees that it is the sole Enrolled Affiliate, and sole Licensee, with respect to each Tenant Enrollment, and Enrolled Affiliate will be solely responsible for each Tenant Enrollment's compliance with the terms and conditions of the Lead Enrollment and the associated Enterprise Agreement.
- e. Price level under each Tenant Enrollment will be the same level that is reflected on the Product Selection Form and is based upon the aggregate of License and Software Assurance quantity of the Lead Enrollment and each Tenant Enrollment as described in the Product Selection Form or as described in other agreement documents.
- f. The effective date, term, anniversary dates and payment dates for each Tenant Enrollment shall coincide with the Lead Enrollment identified above.
- g. All Product Licenses that are not covered in the scope of the Online Services must be purchased under the Lead Enrollment, including Enterprise Products and Additional Products.
- h. Enrolled Affiliate must submit an annual order (EAS Enrollments) or annual True Up order (EA Enrollments) for each Tenant Enrollment as per the terms of the Lead Enrollment and (if applicable) the submission of an Update Statement under each Tenant Enrollment. The initial order and all subsequent orders will be submitted separately for each respective Tenant Enrollment. For any included Affiliate that remains licensed with on-premise Licenses and does not require a separate Tenant Enrollment, orders must be placed under the Lead Enrollment.
- i. Tenant Enrollment is exempt from the minimum order requirement in section 2.a of the Lead Enrollment.
- j. If the Enrolled Affiliate is Transitioning Licenses (as contemplated in the Lead Enrollment), Licenses from which the Enrolled Affiliate is Transitioning will be reduced from the Lead Enrollment identified above and the Licenses to which the Enrolled Affiliate is Transitioning will be ordered under the specific Tenant Enrollment(s).
- k. Each Tenant Enrollment may be managed separately in VLSC (or a successor site) by the individuals whose names and contact information are identified in Tenant Information Excel Form attached as an Appendix to the Amendment, or by other individuals to whom each Tenant Affiliate may delegate such management responsibilities, to the same extent as if such Tenant Affiliate had enrolled separately as an Enrolled Affiliate under the Enterprise Agreement pursuant to its own Enrollment.
- l. Enrollment acceptance and order reminders will be sent to contact(s) identified on the Lead Enrollment only.

3. Technical considerations for multi-Tenant deployment.

Each Tenant Affiliate will be assigned a separate Tenant, provided that it complies with the terms and conditions of this Amendment.

Each Tenant Affiliate will manage its Tenant separately in the administrator console. This will permit and require each Tenant Affiliate to be managed and operated independently of the other.

Due to the independent nature of each Affiliate Tenant from the other, there will be a number of technical boundaries associated with managing or using the tenants together, including but not limited to those in the following list:

- a. No ability to provide consolidated administrative reporting or control across Tenants, no automated ability to move users between Tenants. For example, if a user moves from one Tenant Affiliate to another, this will require Tenant Administrators to manually create new User accounts, download mail to PST files and import, and delete old user.
- b. No consolidated Global Address List for all Tenants.
- c. No ability for a single individual with the same Tenant Administrator login credentials to manage more than one Tenant. However, it is possible for a single person to have unique login credentials for each tenant as long as they track their own login credentials.
- d. No ability to share domain names across Tenants, no ability to share SIP domains (each Tenant will have a separate Skype for Business Online SIP domain).
- e. Separate Licenses required if users in one Tenant need to access SharePoint Online in another Tenant, no master SharePoint content index combining all Tenants (each Tenant's index will be restricted to that Tenant).
- f. Additional on-premise configuration required for directory synchronization; some scenarios may not be possible. Affiliate is advised to consult with technical specialists prior to signing this Amendment to determine if their proposed configuration will work.

4. Contact Information for Tenant Enrollment

- a. Primary Contact. For purposes of delineating enrollments, Tenant Enrollments will be delineated uniquely in the enrollment details to be displayed on VLSC with the following format "Tenant-Lead Enrollment number-Tenant Affiliate Name". This name must be provided in the Tenant Information Excel Form attached as an Appendix for this Amendment under Tenant Affiliate Name. The individual contact identified as Primary contact will be the same individual with the same physical address across all Tenant Enrollments as identified on the Lead Enrollment.
- b. For each Tenant Enrollment, an Online Services Manager must be provided in the Tenant Information Excel Form attached as an Appendix to this Amendment.
- c. Microsoft may, from time to time, contact the Online Services Manager regarding the Tenant(s).
- d. Warning: If the Online service Manager Contact is a third party (not Enrolled Affiliate) please be aware that this contact receives personally identifiable information of the Customer and its Affiliates.

This Amendment must be attached to a signature form and accompanied by the *Tenant Information – Excel Form* to be valid. The Number of tenant(s) listed in the *Tenant Information – Excel Form* file is: 1.
