Interests & Experiences

Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.

I have extensive experience working in the arts here in Santa Barbara County beginning in 1974 at the UCSB University Art Galleries followed by 46 years at UCSB Arts & Lectures until my retirement in 2020 as Associate Director. I have served on various local arts organizations boards over the years and have collaborated on major public event programming and producing with scores of arts presenters (please see the attached narrative). Over the years I have had the great pleasure to have collaborated with Patrick Davis, Ginny Brush, and Sarah York Rubin and am very knowledgeable about the important role of the Santa Barbara County Arts Commission. I have been fortunate to have had a rewarding and fulfilling career in the arts and am committed to continuing to being actively engaged with the promotion and enhancement of the arts to the entire Santa Barbara County community.

Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.
