Subject: Categorical Exclusion for County of Santa Barbara

The purpose of this award is to support the development and enhancement of multidisciplinary human trafficking task forces that implement collaborative approaches to combat all forms of human trafficking, including sex and labor trafficking of both foreign nationals and U.S. citizens (of all genders and ages), within the United States. The task force will implement victim-centered, collaborative and sustainable approaches to: identify victims of all types of human trafficking; investigate and prosecute sex trafficking and labor trafficking cases at the local, state, tribal, and federal levels; and, address the individualized needs of victims through the provision of a comprehensive array of quality services. Awards will be made to a lead law enforcement agency and a lead victim service provider within each task force.

None of the following activities will be conducted either under the OJP federal action or a related third party action: 1) New construction; 2) Any renovation or remodeling of a property either (a) listed on or eligible for listing on the National Register of Historic Places or (b) located within a 100-year flood plain; 3) A renovation which will change the basic prior use of a facility or significantly change its size; 4) Research and technology whose anticipated and future application could be expected to have an effect on the environment; or 5) Implementation of a program involving the use of chemicals. Consequently, the subject federal action meets OJP's criteria for a categorical exclusion as contained in paragraph 4(b) of Appendix D to Part 61 of the Code of Federal Regulations. Additionally, the proposed action is neither a phase nor a segment or a project which when viewed in its entirety would not meet the criteria for a categorical exclusion.
