It is mutually understood and agreed that Contractor (including any and all of its officers, agents, and employees), shall perform all of its services under this Agreement as an independent Contractor as to County and not as an officer, agent, servant, employee, joint venturer, partner, or associate of County. Furthermore, County shall have no right to control, supervise, or direct the manner or method by which Contractor shall perform its work and function. However, County shall retain the right to administer this Agreement so as to verify that Contractor is performing its obligations in accordance with the terms and conditions hereof. 15. INDEMNIFICATION AND INSURANCE.

Contractor agrees to the indemnification and insurance provisions as set forth in EXHIBIT C – Standard Indemnification and Insurance Provisions attached hereto and incorporated herein by reference.

16. NONDISCRIMINATION.

County hereby notifies Contractor that County's Unlawful Discrimination Ordinance (Article XIII of Chapter 2 of the Santa Barbara County Code) applies to this Agreement and is incorporated herein by this reference with the same force and effect as if the ordinance were specifically set out herein and

Contractor agrees to comply with said ordinance. Contractor shall also comply with the nondiscrimination provisions set forth in EXHIBIT A – 1 General Provisions: MHS to this Agreement.

17. NONEXCLUSIVE AGREEMENT.

Contractor understands that this is not an exclusive Agreement and that County shall have the right to negotiate with and enter into contracts with others providing the same or similar services as those provided by Contractor as the County desires.

18. NON-ASSIGNMENT.

Contractor shall not assign, transfer or subcontract this Agreement or any of its rights or obligations under this Agreement without the prior written consent of County and any attempt to so assign, subcontract or transfer without such consent shall be void and without legal effect and shall constitute grounds for termination.

19. TERMINATION.

A. By County. County may, by written notice to Contractor, terminate this Agreement in whole or in part at any time, whether for County's convenience, for nonappropriation of funds, or because of the failure of Contractor to fulfill the obligations herein.

1. **For Convenience.** County may terminate this Agreement in whole or in part upon thirty (30) days written notice. During the thirty (30) day period, Contractor shall, as directed by County, wind down and cease its services as quickly and efficiently as reasonably possible, without performing unnecessary services or activities and by minimizing negative effects on County from such winding down and cessation of services.
2. **For Nonappropriation of Funds.**
 - i. The parties acknowledge and agree that this Agreement is dependent upon the availability of County, State, and/or federal funding. If funding to make payments in accordance with the provisions of this Agreement is not forthcoming from the County, State and/or federal governments for the Agreement, or is not allocated or allotted to County by the County, State and/or federal governments for this Agreement for periodic payment in the current or any future fiscal period, then the obligations of County to make payments after the effective date of such non-allocation or non-funding, as provided in the notice, will cease and terminate.
 - ii. As permitted by applicable State and Federal laws regarding funding sources, if funding to make payments in accordance with the provisions of this Agreement is delayed or is reduced from the County, State, and/or federal governments for the Agreement, or is not allocated or allotted in full to County by the County, State, and/or federal governments for this Agreement for periodic payment in the current or any future fiscal period, then the obligations of County to make payments will be delayed or be reduced accordingly or County shall have the right to terminate the Agreement. If such funding is reduced, County in its sole discretion shall determine which aspects of the Agreement shall proceed and which Services shall be performed. In these situations, County will pay Contractor for Services and Deliverables and certain of its costs. Any obligation to pay by County will not extend beyond the end of County's then-current funding period.

- iii. Contractor expressly agrees that no penalty or damages shall be applied to, or shall accrue to, County in the event that the necessary funding to pay under the terms of this Agreement is not available, not allocated, not allotted, delayed or reduced.
3. **For Cause.** Should Contractor default in the performance of this Agreement or materially breach any of its provisions, County may, at County's sole option, terminate or suspend this Agreement in whole or in part by written notice. Upon receipt of notice, Contractor shall immediately discontinue all services affected (unless the notice directs otherwise) and notify County as to the status of its performance. The date of termination shall be the date the notice is received by Contractor, unless the notice directs otherwise.

By Contractor. Any party hereto may terminate this contract at any given time by giving thirty (30) days written notice or should County fail to pay Contractor all or any part of the payment set forth in EXHIBIT B, Contractor may, at Contractor's option terminate this Agreement if such failure is not remedied by County within thirty (30) days of written notice to County of such late payment. During the thirty (30) day period, Contractor shall take steps to minimize negative effects of such termination on County's clients receiving services from Contractor.

- B. Upon Termination.** Contractor shall deliver to County all data, estimates, graphs, summaries, reports, and all other property, records, documents or papers as may have been accumulated or produced by Contractor in performing this Agreement, whether completed or in process, except such items as County may, by written permission, permit Contractor to retain. Notwithstanding any other payment provision of this Agreement, County shall pay Contractor for satisfactory services performed to the date of termination to include a prorated amount of compensation due hereunder less payments, if any, previously made. In no event shall Contractor be paid an amount in excess of the full price under this Agreement nor for profit on unperformed portions of service. Contractor shall furnish to County such financial information as in the judgment of County is necessary to determine the reasonable value of the services rendered by Contractor. In the event of a dispute as to the reasonable value of the services rendered by Contractor, the decision of County shall be final. The foregoing is cumulative and shall not affect any right or remedy which County may have in law or equity.

20. SECTION HEADINGS.

The headings of the several sections, and any Table of Contents appended hereto, shall be solely for convenience of reference and shall not affect the meaning, construction or effect hereof.

21. SEVERABILITY.

If any one or more of the provisions contained herein shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions hereof, and such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

22. REMEDIES NOT EXCLUSIVE.

No remedy herein conferred upon or reserved to County is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or otherwise.

23. TIME IS OF THE ESSENCE.

Time is of the essence in this Agreement and each covenant and term is a condition herein.

24. NO WAIVER OF DEFAULT.

No delay or omission of County to exercise any right or power arising upon the occurrence of any event of default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Agreement to County shall be exercised from time to time and as often as may be deemed expedient in the sole discretion of County.

25. ENTIRE AGREEMENT AND AMENDMENT.

In conjunction with the matters considered herein, this Contract, including its attachments, contains the entire understanding and agreement of the parties and there have been no promises, representations, agreements, warranties or undertakings by any of the parties, either oral or written, of any character or nature hereafter binding except as set forth herein. This Contract may be altered, amended or modified only by an instrument in writing (executed by Purchasing) and by no other means. Each party waives their future right to claim, contest or assert that this Contract was modified, canceled, superseded, or changed by any oral agreements, course of conduct, waiver or estoppel. Requests for changes to the terms and conditions of this agreement after April 1 of the Fiscal Year for which the change would be applicable shall not be considered. All requests for changes shall be in writing. County hereby rejects any additional or conflicting terms or rates appearing on an Admission Agreement subsequently submitted by Contractor to County unless executed by Purchasing.

26. SUCCESSORS AND ASSIGNS.

All representations, covenants and warranties set forth in this Agreement, by or on behalf of, or for the benefit of any or all of the parties hereto, shall be binding upon and inure to the benefit of such party, its successors and assigns.

27. COMPLIANCE WITH LAW.

Contractor shall, at its sole cost and expense, comply with all County, State and Federal ordinances and statutes now in force or which may hereafter be in force with regard to this Agreement. The judgment of any court of competent jurisdiction, or the admission of Contractor in any action or proceeding against Contractor, whether County is a party thereto or not, that Contractor has violated any such ordinance or statute, shall be conclusive of that fact as between Contractor and County.

28. CALIFORNIA LAW AND JURISDICTION.

This Agreement shall be governed by the laws of the State of California. Any litigation regarding this Agreement or its contents shall be filed in the County of Santa Barbara, if in state court, or in the federal district court nearest to Santa Barbara County, if in federal court.

29. EXECUTION OF COUNTERPARTS.

This Agreement may be executed in counterparts and each shall be deemed an original, and all shall constitute the same instrument. All signatories and parties to this Agreement warrant and represent that they have the power and authority to enter into this Agreement in the names, titles and capacities herein stated and on behalf of any entities, persons, or firms represented or purported to be represented by such entity(ies), person(s), or firm(s) and all formal requirements necessary to enter into this Agreement have been fully complied with. Furthermore, by entering into this Agreement, CONTRACTOR hereby

warrants that it shall not have breached the terms or conditions of any other contract or agreement to which CONTRACTOR is obligated, which breach would have a material effect hereon.

30. AUTHORITY.

All signatories and parties to this Agreement warrant and represent that they have the power and authority to enter into this Agreement in the names, titles and capacities herein stated and on behalf of any entities, persons, or firms represented or purported to be represented by such entity(s), person(s), or firm(s) and that all formal requirements necessary or required by any state and/or federal law in order to enter into this Agreement have been fully complied with. Furthermore, by entering into this Agreement, Contractor hereby warrants that it shall not have breached the terms or conditions of any other contract or agreement to which Contractor is obligated, which breach would have a material effect hereon.

31. SURVIVAL.

All provisions of this Agreement which by their nature are intended to survive the termination or expiration of this Agreement shall survive such termination or expiration.

32. PRECEDENCE.

In the event of conflict between the provisions contained in these numbered paragraphs, the provisions contained in the Exhibits, and the provisions contained in Attachments 1 - Admissions Agreement Part 1 and Attachment 2 - Admissions Agreement Part 2, the controlling documents shall be first, the provisions of this document; second, the provisions of the Exhibits; and third, the provisions in the Attachments unless waived by amendment hereon with dated initials of Purchasing staff. In the event and to the extent any provisions contained in multiple documents address the same or substantially the same subject matter, but do not actually conflict, the order of precedence shall be the same: first, the provisions of this document; second, the provisions of the Exhibits; and third, the provisions in the Attachments.

33. COMPLIANCE WITH HIPAA.

Contractor is expected to adhere to Health Insurance Portability and Accountability Act (HIPAA) regulations and to develop and maintain comprehensive patient confidentiality policies and procedures, provide annual training of all staff regarding those policies and procedures, and demonstrate reasonable effort to secure written and/or electronic data. The parties should anticipate that this Agreement will be modified as necessary for full compliance with HIPAA.

34. COURT APPEARANCES.

INFORMED CONSENT

This document is to provide information to the resident regarding medications and treatment. The resident shall be advised of the expected benefits and potential side effects of any new or added or discontinued medication or treatment. These medications are intended to assist the resident in regaining thought processing abilities and lower acute anxiety and/or agitation. Side effects may or may not include; indigestion, nausea, vomiting, diarrhea, constipation, unsteadiness, dizziness, alteration in blood counts, liver function alteration or skin rash. Some medications affect body weight, can initiate tremors, headache, depression, unusual excitement, or irritability. Every effort is made to gain maximum benefit at the lowest dose possible while minimizing discomfort and side effects to improve the likelihood of long term compliance. All psychotropic, with the exception of Clozaril may cause tardive dyskinesia. As with all medications, there are numerous side effects other than those listed here. In specific cases the doctor will indicate the drug and side effects and counsel the resident and/or authorized legal representative directly.

In the event a change in medication or treatment is necessary an Informed Consent for Medication/Treatment form shall be processed, authorized and signed for each and every event as it occurs.

The undersigned hereby acknowledges and authorizes California Psychiatric Transitions Informed Consent procedures.

THE FOLLOWING INFORMATION IS COPIED WORD FOR WORD FROM THE HANDBOOK OF RIGHTS FOR INDIVIDUALS IN MENTAL HEALTH FACILITIES FROM CALIFORNIA OFFICE OF PATIENTS'S RIGHTS APRIL 2004 REVISION.

RESIDENT NAME-----SOCIAL SECURITY NUMBER ---- DATE OF BIRTH	CPT #
Last, First-----000-00-0000 ----MM-DD-YYYY	PENDING

HOW TO REACH YOUR PATIENTS' RIGHTS ADVOCATE

If you have any questions or would like to make a complaint about a possible violation of your rights, please call the advocacy office listed on the back cover of this handbook.

Patients' rights law is composed of a complex and evolving system of statutes, regulations, and court decisions. This handbook should be considered a guide, but it may not accurately reflect all the rights available to persons at all times.

The person in charge of the facility in which you are receiving treatment is responsible for ensuring that all your rights in this handbook are protected. You should be informed of your rights in a language and a manner that you can understand.

- On admission to the facility
- When there is a change in your legal status
- When you are transferred to another unit or facility
- At least once a year

If you believe that your rights may have been denied or violated, please contact your patients' rights advocate, even if your situation is not specifically covered in this handbook.

INTRODUCTION

If you are receiving, either voluntarily or involuntarily, mental health services in one of the facilities listed below, you have the rights outlined in this handbook. Your rights may vary depending on your legal status or the type of facility you reside in. *Your rights may not be waived by your parent, guardian, or conservator.* State Hospital

- Acute Psychiatric Hospital
- Psychiatric Unit of General Acute Care Hospital Skilled Nursing Facility/IMD
- Licensed Group Home Adult Residential Facility Licensed Family Home Adult Day Care Facility Psychiatric Health Facility
- Mental Health Rehabilitation Center
- Community Treatment Facility
- 23-Hour Treatment Facility

You cannot be asked to give up any of your rights or threatened into giving them up as a condition of admission or for receiving treatment; however, you may not choose not to exercise a specific right.

ACCESS TO THE PATIENTS' RIGHTS ADVOCATE

You have the right to see a patients' rights advocate who has no clinical or administrative responsibility for your mental health treatment and to receive his or her services. Your advocate's name and telephone number are located on the back cover of this handbook.

You have the right to contact the patients' rights advocate at any time. The facility where you are staying will provide you with assistance to ensure that you can exercise the right. You have the right to communicate with and to receive visits privately from your patients' right advocate or attorney.

WHAT IF YOU HAVE A COMPLAINT

You have the right to complain about your living conditions, any physical or verbal abuse, any threats or acts of cruelty, or your treatment in the facility without being punished for voicing such complaints.

The patients' right advocate is responsible for investigating and trying to resolve complaints about your rights. If the advocate is unable to help you with your concern, your complaint may be referred, with your permission, to another agency that can assist you.

If you are dissatisfied with the advocate's response to your complaint about your rights, your complaint may be referred to the facility director or to your local mental health director on your request.

RIGHTS WHILE YOU ARE INVOLUNTARILY DETAINED

The following text provides information about being involuntarily detained.

72-Hour Hold of "5150"

When a person, as a result of a mental disorder, is a danger to himself/herself or others or is gravely disabled, a peace officer, a member of the attending staff, or another professional person designated by the county may with probable cause take the person into custody and place him or her in a facility for a 72-hour treatment and evaluation.

The facility shall require a written application stating the circumstances under which there is a probable cause to believe that a person is, as a result of a mental disorder, a danger to himself/herself or others or is gravely disabled. If the probable cause is based on the statement of a person other than a police officer, a member of the attending staff, or a professional person, this person shall be liable in a civil action for intentionally giving a statement that he or she knows to be false.

If you were brought into a mental health facility against your will because you were considered to be a danger to yourself, a danger to others, or gravely disabled because of a mental disorder, you may be held up to 72 hours for treatment and evaluation unless the person in charge can establish that you need an additional 14 days of mental health treatment (*Welfare and Institutions Code Sections 5150 and 5250*).

14-Day Certification for Intensive Treatment or "5250"

If a person is detained for 72 hours under the provisions of Section 5150 of the *Welfare and Institutions Code* and has received an evaluation, he or she may be certified for not more than 14 days of intensive treatment related to a mental disorder or an impairment by chronic alcoholism under the following conditions:

- The professional staff of the facility that provides evaluation services has analyzed the person's condition and has found that the person is a danger to himself/herself or others or is gravely disabled.
- The person has been advised of the need for, but has not been willing or able to accept, treatment on a voluntary basis.

If you are held beyond 72 hours, you have the right to remain in the hospital for voluntary treatment. If you do not wish to stay voluntarily treatment. If you do not wish to stay voluntarily, you will automatically be scheduled for a certification review hearing, which will occur at the facility where you are staying within four days of the end of your 72-hour hold. You may be represented at this hearing by a patients' rights advocate or another person of your choice. You can also request to have family members or someone of your choice at the hearing to help explain your circumstances (*Welfare and Institutions Code 5250*). If you want your advocate or facility staff member to telephone someone for you, make this request before the hearing.

***Helpful Hint**

If you request a writ of habeas corpus, you give up your right to have a certification hearing. Talk to your advocate for more details about how the writ process works.

Re-certification for Intensive Treatment of "5260"

If during the 14-day certification you attempted or threatened to take your own life and if you remain an imminent threat of taking your life, your doctor may place you on an additional 14-day hold, which is known as a re-certification. You have the right to request a writ of habeas corpus. **Please note that no hearing will take place for this hold** (*Welfare and Institutions Code Section 5260*).

Additional 30-Day Hold or "5270.1"

In some counties, after you have completed a 14-day period of treatment, you may be held for an additional 30 days if your doctor determines that you remain gravely disabled and you are unwilling to accept voluntary treatment. Another certification hearing will automatically be held. You have the right to have a patients' rights advocate assist you at the hearing. You also have the right to request a writ of habeas corpus at any time during this period and to have a patients' rights advocate or attorney assist you at the hearing (*Welfare and Institutions Code Section 5270.1*).

Post Certification for Dangerousness or "5300 et. al."

If sufficient reason exists at the end of the 14-day certification to believe that you are a danger to others because of a mental disorder, the person who is in charge of the facility may petition the court to require you to remain in the facility for further treatment. This treatment is not to exceed 180 days. You have the right to representation by an attorney and to a jury trial (*Welfare and Institutions Code Section 5300 et. al.*).

Temporary Conservatorship

If the person in charge of the facility where you are staying believes that you may benefit from the services of a conservator because you remain *gravely disabled*, you may be placed on a temporary conservatorship (T-con) for up to 30 days. At the end of 30 days, a hearing will be held to determine whether you remain gravely disabled and whether and whether a one-year conservatorship will be necessary. Your advocate or attorney can assist you with the conservatorship hearing process (*Welfare and Institutions Code Section 5352.1*).

CONFIDENTIALITY

Your record is confidential and can be released only to you or people who are involved in providing you with medical or psychiatric services, except under court order, or as provided by law. However, other specific people may be given access to your records whenever you, your guardian, or your conservator gives express consent by signing a form that authorizes the release of information.

You must also be informed of your right to have or to not have other persons notified if you are hospitalized.

MEDICAL TREATMENT

While you are staying in a facility, you have the right to prompt medical care and treatment.

***Helpful Hints**

- If you don't feel well or are in pain, let your doctor or a treatment staff member know right away.
- If you have any question about your treatment, talk to your doctor or a treatment staff member or ask your advocate to help you.

RIGHT TO REFUSE TREATMENT

Voluntary Patients

You can refuse any type of medical or mental health treatment, including medications, unless the situation is an emergency (see the "Definitions" section of this handbook for *emergency treatment*).

Involuntary Patients

You have the right to refuse medical treatment or treatment with medications (except in an emergency) unless a capacity hearing is held and a hearing officer or a judge finds that you do not have the capacity to consent to or refuse treatment. The advocate or public defender can assist you with this matter.

PSYCHIATRIC
TRANSITIONS**

Conservatees

If you are on conservatorship and the judge has granted your conservator power to make mental health treatment decisions, you no longer have the right to consent to or refuse treatment. You should talk with your advocate or attorney for more information. In addition, in some cases, a judge may allow a patient on conservatorship to retain the right to consent to or refuse medical treatment.

All Patients

You have the right to refuse to take part in any research project or medical experiment. You also have the right to refuse electroconvulsive treatment (ECT) or any form of convulsive therapy. However, if a court has determined that you lack the capacity to make this decision, then ECT may be given *without* your consent. An advocate or a public defender can assist you with the hearing process (*Welfare and Institutions Code Section 5326.7*).

MEDICATIONS AND THE INFORMED CONSENT PROCESS

Voluntary Patients

If you are a voluntary adult patient, you have the right to consent to or refuse taking antipsychotic medications (except in an emergency). You may be treated with antipsychotic medications only after the hospital has completed the informed consent process.

Involuntary Patients

If you are being detained against your will, you have the right to refuse treatment with antipsychotic medications unless the situation is an emergency or a hearing officer or a judge has determined that you are incapable of making this decision.

***Helpful Hint**

If your medication interferes with your ability to participate in daily activities or has other unpleasant side effects, let your doctor know.

The Informed Consent Process

Before you give your consent to take any antipsychotic medication, your doctor must first explain to you the following:

1. The reasons for your taking this medication and the benefits that you can expect
2. Your right to withdraw your consent at any time
3. The type and the amount of medication and how often you must take it
4. The common side effects from taking the medication, the effects that you are most likely to experience, and for how long the doctor believes you will need to take the medication
5. Alternative treatments that are available (if any)
6. The potential long-term side effects of taking the medication

***Helpful Hint**

If you are asked to consent to taking medications without being given a full explanation, talk to your advocate.

CAPACITY HEARING FOR MEDICATIONS

A capacity hearing, which is also called a Riese Hearing, may be held to determine whether you may or may not refuse treatment with medications. The capacity hearing will be conducted by a hearing officer at the facility where you are receiving treatment or by a judge in court. The hearing officer will determine whether you have the capacity to consent to or refuse medication as a form of treatment.

You have the right to be represented at the capacity hearing by an advocate or by an attorney. Your representative will help you prepare for the hearing and will answer your questions or discuss concerns that you may have about the hearing process.

If you disagree with the capacity hearing decision, you may appeal the decision to a superior court or to a court of appeal. Your patients' rights advocate or attorney can assist you with filing an appeal.

***Helpful Hint**

If you have any questions about your right to consent to or refuse medications or about the capacity hearing process, talk to your patients' rights advocate or the public defender.

RIGHTS THAT CANNOT BE DENIED

Persons with mental illness have the same legal rights and responsibilities that are guaranteed all other persons by the federal and state constitution and laws unless specifically limited by federal or state laws and regulations (*Welfare and Institutions Code Section 5325.1*).

The Right to Humane Care

You have the right to dignity, privacy, and human care. You also have the right to treatment services that promote your potential to function independently.

Treatment must be provided in ways that are least restrictive to you.

***Helpful Hints**

- If you feel that your treatment is too restrictive, talk to your doctor and find out how your treatment can be changed.
- You can also talk to the patients' rights advocate or file a complaint.

The Right to Be Free from Abuse or Neglect

You have the right to be free from abuse, neglect or harm, including unnecessary or excessive physical restraint, isolation, or medication. Medication shall not be used as punishment, for the convenience of staff, as a substitute for treatment, or in quantities that interfere with the treatment program. You also have the right to be free from hazardous procedures.

***Helpful Hint**

**CALIFORNIA
PSYCHIATRIC
TRANSITIONS**

If you believe that you have suffered abuse or neglect in the facility or feel that your treatment is more restrictive than necessary, talk to your advocate or let a staff member know.

The Right to Social Activities and Recreation

You have the right to social interaction and participation in activities within the community or within the facility if you are hospitalized. You have the right to physical exercise and recreational opportunities.

The Right to Education

You have the right to participate in appropriate programs of publically supported education.

The Right to Religious Freedom and Practice

You have the right to religious freedom and practice.

***Helpful Hint**

Your right to practice your religion cannot be denied by anyone. You may not be pressured in any way to participate in religious practices, and you do not have to accept a visit from a clergyman of any religion unless you want to. As soon as possible after you are admitted to a facility, you should let the staff know whether you have any special religious needs.

The Right to Be Free from Discrimination

You have the right to receive mental health services without discrimination on the basis of race, color, religious, sex, national origin, ancestry, age, marital status, physical or mental disability, medical condition, or sexual orientation.

***Helpful Hint**

Talk with a staff member or your advocate if you have any concerns about discrimination.

RIGHTS THAT MAY BE DENIED WITH GOOD CAUSE

Unless the facility's staff and the doctor have good cause to do so, you cannot be denied any of the following rights:

Clothing

You have the right to wear your own clothes (except as prohibited by law in some state hospitals).

Money

You have the right to keep and be allowed to spend a reasonable sum of your own money or personal funds for canteen expenses and small purchases.

Visitors

You have the right to see visitors each day.

***Helpful Hint**

Please check with the facility where you are staying for more details on visiting times and policies.

Storage Space

You have the right to have access to storage space for your personal belongings.

Personal Possessions

You have the right to keep and use your own personal possessions, including your own toilet articles.

Telephone

You have the right to have reasonable access to a telephone both to make and receive confidential calls or to have such calls made for you.

***Helpful Hint**

If telephones are not placed where you can make private phone calls, ask a facility staff member whether you can have privacy when making your call.

Mail

You have the right to receive mail and unopened correspondence.

Writing Materials

You have the right to have letter-writing materials, including stamps, made available to you.

GOOD CAUSE

Good cause for denying any of the rights means that the professional person in charge has a good reason to believe that allowing a specific right would cause:

1. Injury to that person or others; or
2. A serious infringement on the rights of others; or
3. Serious damage to the facility;

And there is no less restrictive way to protect against those occurrences.

Your rights cannot be denied as a condition of admission, a privilege to be earned, a punishment, a convenience to staff, or a part of a treatment program. A denial of a right can be made only by the person authorized by law or regulation to do so, and this denial must be noted in your treatment record. If one of your

FINANCIAL PROVISIONS

EXHIBIT B
FINANCIAL PROVISIONS- MHS
(Specific to Contract)

(Applicable to programs described in Exhibit A-2)

(With attached Exhibit B-1 Schedule of Rates and Contract Maximum: MHS)

This Agreement provides for reimbursement for services up to the Maximum Contract Amount, reflected in Section II below and Exhibit B-1-MHS. For Medi-Cal and all other services provided under this Agreement, Contractor shall comply with all applicable requirements necessary for reimbursement in accordance with Welfare and Institutions Code (WIC) §§14705-14711, and other applicable Federal, State and local laws, regulations, rules, manuals, policies, guidelines and directives.

I. PAYMENT FOR SERVICES

- A. Performance of Services.** Contractor shall be compensated on a cost reimbursement basis, subject to the limitations described in this Agreement and all exhibits hereto, for provision of the Units of Service (UOS) or other deliverables as established in Exhibit B-1-MHS based on satisfactory performance of the services described in the Exhibit A(s). The rates set forth in Exhibit B-1 of this agreement shall be honored by Contractor for the Term of the Agreement.
- B. Non-Medi-Cal Billable Services.** County recognizes that some of the services provided by Contractor's Program, described in the Exhibit A(s), may not be reimbursable by Medi-Cal, and such services may be reimbursed by other County, State, and Federal funds to the extent specified in Exhibit B-1-MHS and pursuant to Section I.F (Funding Sources) of this Exhibit B MHS. Funds for these services are included within the Maximum Contract Amount.
- C. Limitations on Use of Funds Received Pursuant to this Agreement.** Contractor shall use the funds provided by County exclusively for the purposes of performing the services described in Exhibit A(s) to this Agreement. Violation of this provision or use of County funds for purposes other than those described in the Exhibit A(s) shall constitute a material breach of this Agreement.
- D. Funding Sources.** The Behavioral Wellness Director or designee may reallocate between funding sources at his/her discretion, including to utilize and maximize any additional funding or Federal Financial Participation (FFP) provided by local, State, or Federal law, regulation, policy, procedure, or program. The Behavioral Wellness Director or designee also reserves the right to reallocate between funding sources in the year end cost settlement. Reallocation of funding sources does not alter the Maximum Contract Amount and does not require an amendment to the Agreement.
- E. Beneficiary Liability for Payment.**

 - 1. Contractor shall not submit a claim to, or demand or otherwise collect reimbursement from, the beneficiary or persons acting on behalf of the beneficiary for any specialty mental health or related administrative services provided under this Agreement, except to collect other health insurance coverage, share of cost, and co-payments. (Cal. Code Regs., tit. 9, § 1810.365 (a).)

2. Contractor shall not hold beneficiaries liable for debts in the event that County becomes insolvent; for costs of covered services for which the State does not pay County; for costs of covered services for which the State or County does not pay to Contractor; for costs of covered services provided under a contract, referral or other arrangement rather than from the County; or for payment of subsequent screening and treatment needed to diagnose the specific condition of or stabilize a beneficiary. (42 C.F.R. § 438.106 and Cal. Code Regs. tit 9, § 1810.365(c).)
3. Contractor shall not bill beneficiaries, for covered services, any amount greater than would be owed if the Contractor provided the services directly. (42 C.F.R. § 483.1 06(c).)

H. DHCS assumes no responsibility for the payment to Contractor for services used in the performance of this Agreement. County accepts sole responsibility for the payment of Contractor in the performance of this Agreement per the terms of this Agreement.

II. MAXIMUM CONTRACT AMOUNT

The Maximum Contract Amount of this Agreement shall not exceed **\$200,000** for FY 20-21 during the term of this agreement. Notwithstanding any other provision of this Agreement, in no event shall County pay Contractor more than this Maximum Contract Amount for Contractor's performance hereunder without a properly executed amendment.

III. PER DIEM RATE.

- A.** County agrees to reimburse Contractor at a Per Diem Rate during the term of this Agreement, as specified in Exhibit B-1. "Per Diem Rate" means a daily rate paid for reimbursable IMD Services for a client for the day of admission and each day that services are provided excluding the day of discharge. The Per Diem Rate shall be inclusive of all services defined in this Agreement, except for transportation services on the day of admission and discharge to and from Contractor's facility.
- B.** Contractor shall be reimbursed for a day of service, at the Per Diem rate, when the client meets admission and/or continued stay criteria, documentation requirements, treatment and discharge planning requirements, as described in Exhibit A(s), and occupies a bed at 12:00 midnight. A day of service may also be reimbursed by County if the client is admitted and discharged during the same 24-hour period provided that such admission and discharge is not within 24 hours of a prior discharge, as approved by County.

IV. ACCOUNTING FOR REVENUES

- A.** Accounting for Revenues. Contractor shall comply with all County, State, and Federal requirements and procedures, including, but not limited to, those described in California Welfare and Institutions Code (WIC) Sections 5709, 5710 and 14710, relating to: (1) the determination and collection of patient/client fees for services hereunder based on Uniform Method for Determining Ability to Pay (UMDAP) (2) the eligibility of patients/clients for Medi-Cal, Medicare, private insurance, or other third party revenue, and (3) the collection, reporting and deduction of all patient/client and other revenue for patients/clients receiving services hereunder.
- B.** Grants, and any other revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor shall also be accounted for in the Operating Budget.

C. Internal Procedures. Contractor shall maintain internal financial controls which adequately ensure proper billing and collection procedures. Contractor shall pursue payment from all potential sources in sequential order, with Medi-Cal as payor of last resort. All fees paid by or on behalf of patients/clients receiving services under this Agreement shall be utilized by Contractor only for the delivery of service units specified in the Exhibit A(s) to this Agreement.

V. BILLING AND PAYMENT PROCEDURES AND LIMITATIONS

A. Submission of Claims and Invoices.

1. Submission of Claims and Invoices for Non Medi-Cal Services. Contractor shall submit a written invoice within 10 calendar days of the end of the month in which non-Medi-Cal services are delivered that: i) depicts the actual costs of providing the services less any applicable revenues; ii) states the amount owed by County, and iii) includes the Agreement number and signature of Contractor's authorized representative. Actual cost is the actual amount paid or incurred, including direct labor and costs supported by financial statements, time records, invoices, and receipts. Invoices shall be delivered to:

financeco@sbcbswell.org

Santa Barbara County Behavioral Wellness

ATTN: Accounts Payable

429 North San Antonio Road

Santa Barbara, CA 93110-1316

2. The Program Contract Maximums specified in Exhibit B-1 and this Exhibit B are intended to cover services during the entire term of the Agreement, unless otherwise specified in the Exhibit A(s) to this Agreement (such as time-limited or services tied to the school year). Under no circumstances shall Contractor cease services prior to June 30 due to an accelerated draw down of funds earlier in the Fiscal Year. Failure to provide services during the entire term of the Agreement may be considered a breach of contract and subject to the Termination provisions specified in the Agreement.

B. Withholding of Payment for Non-submission of Service Data and Other Information. If any required service data, invoice or report is not submitted by Contractor to County within the time limits described in this Agreement or if any such information is incomplete, incorrect, or is not completed in accordance with the requirements of this Agreement, then payment shall be withheld until County is in receipt of complete and correct data and such data has been reviewed and approved by Behavioral Wellness Director or designee. Behavioral Wellness Director or designee shall review such submitted service data within sixty (60) calendar days of receipt.

C. Withholding of Payment for Unsatisfactory Clinical Documentation. Behavioral Wellness Director or designee shall have the option to deny payment for services when documentation of clinical services does not meet minimum Federal, State and County written standards.

D. Claims Submission Restrictions.

1. 12-Month Billing Limit. Unless otherwise determined by State or federal regulations (e.g. Medi-Medi cross-over), all original (or initial) claims for eligible individual persons under this Agreement must be received by County within 12 months from the month of service to avoid denial for late billing.

2. No Payment for Services Provided Following Expiration/ Termination of Agreement. Contractor shall have no claim against County for payment of any funds or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Agreement. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.
- E. Claims Certification and Program Integrity. Contractor shall certify that all UOS entered by Contractor into MIS for any payor sources covered by this Agreement are true and accurate to the best of Contractor's knowledge.
- F. Overpayments: Any overpayments of contractual amounts must be returned via direct payment within 30 days to the County. County may withhold amounts from future payments due to Contractor under this Agreement or any subsequent agreement if Contractor fails to make direct payment within required timeframe.

VI. AUDITS AND AUDIT APPEALS

- A. Audit by Responsible Auditing Party. At any time during the term of this Agreement or after the expiration or termination of this Agreement, in accordance with State and, as applicable, Federal law including but not limited to WIC Sections 14170 et. seq., authorized representatives from the County, State or as applicable Federal governments (Responsible Auditing Party) may conduct an audit or site review of Contractor regarding the mental health services/activities provided under this Agreement.
- B. Settlement. Settlement of the audit findings will be conducted according to the Responsible Auditing Party's procedures in place. In the case of a State Medi-Cal audit, the State and County will perform a post-audit Medi-Cal settlement that is based on State audit findings. Such settlement will take place when the State initiates its settlement action which customarily is after the issuance of the audit report by the State and before the State's audit appeal process. However, if the Responsible Auditing Party stays its collection of any amounts due or payable because of the audit findings, County will also stay its settlement of the same amounts due or payable until the Responsible Auditing Party initiates its settlement action with County. If an audit adjustment is appealed then the County may, at its own discretion, notify Contractor but stay collection of amounts due until resolution of the State administrative appeals process.
- C. Invoice for Amounts Due. County shall issue an invoice to Contractor for any amount due to the County after the Responsible Auditing Party issues an audit report. The amount on the County invoice is due by Contractor to County thirty (30) calendar days from the date of the invoice.
- D. Appeal. Contractor may appeal any such audit findings in accordance with the audit appeal process established by the Responsible Auditing Party performing the audit.

E. Notwithstanding any other provision contained herein, County and Contractor agrees that Contractor does not meet the definition of a Non-Federal Entity under 2 CFR 200 and does not bill via Medi-Cal and/or Medi-care, and hence, is exempt from the audit provisions applicable to such entities. The Parties further agree that any review of contracts, books, accounts, records, accounting and administrative documents, statistics, program procedures or any other information (collectively “Documentation”) in Contractor’s possession shall be limited solely to that Documentation that relates to the specific services provided by Contractor under this Agreement. Nothing contained herein shall be deemed to allow inspection of the financial statements or any other Documentation relating to the operation of California Psychiatric Transitions.

EXHIBIT C
STANDARD
INDEMNIFICATION
AND
INSURANCE PROVISIONS

EXHIBIT C
INDEMNIFICATION AND INSURANCE REQUIREMENTS
(Specific to this Agreement)

INDEMNIFICATION

Contractor agrees to indemnify, defend (with counsel reasonably approved by County) and hold harmless County and its officers, officials, employees, agents and volunteers from and against any and all claims, actions, losses, damages, judgments and/or liabilities arising out of this Agreement from any cause whatsoever, including the acts, errors or omissions of any person or entity and for any costs or expenses (including but not limited to attorneys' fees) incurred by County on account of any claim except where such indemnification is prohibited by law.

NOTIFICATION OF ACCIDENTS AND SURVIVAL OF INDEMNIFICATION PROVISIONS

Contractor shall notify County immediately in the event of any accident or injury arising out of or in connection with this Agreement. The indemnification provisions in this Agreement shall survive any expiration or termination of this Agreement.

INSURANCE

Contractor shall procure and maintain for the duration of this Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by the Contractor, its agents, representatives, employees or subcontractors.

A. Minimum Scope of Insurance

Coverage shall be at least as broad as:

1. **Commercial General Liability (CGL):** Insurance Services Office (ISO) Form CG 00 01 covering CGL on an "occurrence" basis, including products-completed operations, personal & advertising injury, with limits no less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate.
2. **Automobile Liability:** ISO Form Number CA 00 01 covering any auto (Code 1), or if Contractor has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limit no less than \$1,000,000 per accident for bodily injury and property damage.
3. **Workers' Compensation:** as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease.
4. **Professional Liability** (Errors and Omissions) Insurance appropriate to the Contractor's profession, with limit of no less than \$1,000,000 per occurrence or claim, \$2,000,000 aggregate.

If the Contractor maintains higher limits than the minimums shown above, the County requires and shall be entitled to coverage for the higher limits maintained by the Contractor. Any available

insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the County.

B. Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured** – County, its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Contractor’s insurance at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 if a later edition is used).
2. **Primary Coverage** – For any claims related to this Agreement, the Contractor’s insurance coverage shall be primary insurance as respects the County, its officers, officials, employees, agents and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees, agents or volunteers shall be excess of the Contractor’s insurance and shall not contribute with it.
3. **Notice of Cancellation** – Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the County.
4. **Waiver of Subrogation Rights** – Contractor hereby grants to County a waiver of any right to subrogation which any insurer of said Contractor may acquire against the County by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not the County has received a waiver of subrogation endorsement from the insurer.
5. **Deductibles and Self-Insured Retention** – Any deductibles or self-insured retentions must be declared to and approved by the County. The County may require the Contractor to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.
6. **Acceptability of Insurers** – Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best’s Insurance Guide rating of “A- VII”.
7. **Verification of Coverage** – Contractor shall furnish the County with proof of insurance, original certificates and amendatory endorsements as required by this Agreement. The proof of insurance, certificates and endorsements are to be received and approved by the County before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor’s obligation to provide them. The Contractor shall furnish evidence of renewal of coverage throughout the term of the Agreement. The County reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.
8. **Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, County has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and

failure to maintain or renew such coverage or to provide evidence of renewal may be treated by County as a material breach of contract.

9. **Subcontractors** – Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that County is an additional insured on insurance required from subcontractors.
10. **Claims Made Policies** – If any of the required policies provide coverage on a claims-made basis:
 - i. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
 - ii. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of contract work.
 - iii. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Contractor must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work.
11. **Special Risks or Circumstances** – County reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. Contractor agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of County.
