Summary Text:

This item is on the agenda to rescind portions of Resolution 25-100 passed at the Board Hearing on May 13, 2025, for restricting oversized vehicles on various roads in Santa Barbara County and to re-establish time previous overnight restrictions of oversized vehicles on certain roads in Santa Barbara County.

Discussion:

Staff recommends rescinding portions of Resolution 25-100. This action will modify the restriction of parking of oversized vehicles in the areas of Butterfly Beach area of Montecito, First Supervisorial District, and Isla Vista, Second Supervisorial District, from all times to the hours between 10:00 P.M. to 5:00 A.M.

Background:

Pursuant to County Code 23-11 and permitted by California Vehicle Code Sections 22507 and 22507.5, the Board of Supervisors, by resolution, may regulate vehicle parking on certain streets or highways, or portions thereof, during all or certain hours of the day.

On May 13, 2025, your Board passed Resolution 25-100 which established oversized vehicle parking restrictions on various County roads. After the passing of the Resolution, the County was contacted by citizens concerning impacts to the community of Isla Vista. The expressed concerns are the restrictions would prevent services and deliveries that require large vehicles or prevent coastal access for people with oversized vehicles. Staff considered the issues of the citizens and recommends your Board approve the attached proposed Resolution which will modify the times of the restrictions from all times to overnight, 10:00 P.M. to 5:00 A.M. The attached resolution also specifies that vehicles being used for delivery, construction, utility work, or public transit would be exempt from the restriction. This action will address the concerns of preventing delivery, construction, or transit vehicles from accessing Isla Vista or coastal access for people with oversized vehicles but still address the original concern of oversized vehicles being stored in Isla Vista. Staff is also recommending reducing the hours of oversized parking restrictions from all times to 10:00 P.M. to 5:00 A.M. in the Butterfly Beach area of Montecito. This will address the coastal access issue for the Butterfly Beach Area.
