Which Boards would you like to apply for?

Mosquito and Vector Management District of Santa Barbara County: Submitted

Interests & Experiences

Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.

I have a long history with Lyme disease & am immunocompromised, so dependent on vector management. Additionally I live next to a creek & am on the board for a HOA next to another creek, so doubly concerned. I have lived in Santa Barbara for over 50 years & am familiar with the potential effects locally of changing seasons & climate.

Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.

I am an experienced & effective committee member, most notably on the SB County Grand Jury, resulting in my creating the Jury's website, which became the subsequent model for all California Grand Juries. Professionally, I was a science & government documents librarian at UCSB. Currently I serve on the SB City Downtown Parking Committee & before that on the Access Advisory Committee.
