Executive Summary and Discussion:

Your Board is requested to execute agreement for services with the above listed agency for the Juvenile Crime Enforcement and Accountability Challenge Grant II. The grant agreements that are for less than a \$100,000 maximum will be executed as County Purchasing contracts

On May 20, 1999, the California Board of Corrections awarded Santa Barbara County \$4,944,308 to conduct a three-year demonstration project, commencing July 1, 1999, and ending June 30, 2002. The Challenge II grant targets high crime neighborhoods within the City of Santa Barbara. The local project is called NEW VISTAS, which stands for Neighborhood Enrichment With Vision Involving Services, Treatment, and Supervision. Primary focus is given to families who have identified drug or alcohol issues and who have a family member at-risk or criminally involved. NEW VISTAS includes a complete continuum of drug & alcohol treatment consisting of: assessment, individual and family therapy, parent education, family mediation, conflict resolution, outpatient treatment, and afterschool educational and recreational services. A multi-agency Neighborhood Supervision Team is deployed in a neighborhood setting for assessment, case management, and mobilization of community resources in an effort to prevent and decrease crime. Service delivery is family and neighborhood-focused. NEW VISTAS tests the effectiveness of this service delivery and related interventions through an evaluation conducted by the University of California at Santa Barbara.

The project had a contract with the State Board of Corrections for fourth year funding which was eliminated in the Governor's May revise budget. Subsequently, the Board of Corrections awarded Santa Barbara County \$370,000 in grant funds for fiscal year 02-03. It is this grant funding, coupled with local match, JJCPA funding, and Drug Medi-Cal funding which will allow treatment services to continue until 6-30-03 with the final reporting of the project evaluation completed by 9-15-03. This grant funding will allow execution of two Board Contracts to Zona Seca and the University of California, Santa Barbara to continue essential NEW VISTAS treatment and evaluation services, respectively. The Board contract with UCSB is in the draft stage and concurrence is presently being sought with the Regents of the University of California. When concurrence is achieved, this Board contract will be brought before the Board of Supervisors for approval.

NEW VISTAS is a collaborative effort, pooling the resources of law enforcement and family services agencies throughout the greater Santa Barbara area. Collaborative partners include: Departments of Alcohol, Drug, and Mental Health Services, Social Services, Probation Department, Santa Barbara Police Department, Council on Alcoholism and Drug Abuse, Zona Seca, the Fatherhood Coalition, the Community Mediation Program, YMCA, Domestic Violence Solutions, District Attorney's Office, School Districts and neighborhood organizations. The University of California at Santa Barbara is conducting the research and evaluation required by the State for this demonstration project.

The Recurring Performance Measure for the Challenge Grant II NEW VISTAS program is to ensure public safety: Reduce by 10% the number of new law violations committed annually by 100 minors in the Challenge II NEW VISTAS program as compared to the violation rate in the 1994-98 historical comparison study.

Mandates and Service Levels:

The Juvenile Crime Enforcement and Accountability Challenge Grant II is not a mandated program. Grant funds provide an increase in service level through State dollars, Federal dollars leveraged, and through maximizing the coordination of existing resources. Although the Grant itself is not mandated, most services that would be provided by such funding are mandated by statutes and Court orders. Statutory mandates governing Probation Department services are attached for your review.

Fiscal and Facilities Impacts:

The 4th Year Funding for the Juvenile Crime Enforcement and Accountability Challenge Grant II requires no General Fund contribution for this contract. The contract to be approved by this Board Agenda item is fully funded by State Challenge Grant II revenue (account # 4339). Also, the subcontractor is required to identify “match” funds consisting of additional program related expenditures separately funded by the respective subcontractor.

The Year 4 budget for Zona Seca is as follows:

<u>AGENCY</u>	<u>FY 2002-03</u>	<u>FY 2002-03</u>	<u>FY 2002-03</u>
	Grant Funds	Matching Funds	Total
Zona Seca	112,678	13,670	126,348

Special Instructions:

Please return the following documents: a second original of the fully executed contract signature page for the Zona Seca contract and a copy of the Minute Order to Carter Ray, County Probation Department Administration, 117 E. Carrillo Street, CA 93101.
