NOTICE IS HEREBY GIVEN that, on Tuesday November 1, 2022, the Board of Supervisors will hold a public hearing to consider adoption of an ordinance to amend Chapter 50 "Licensing of Cannabis Operations" to further clarify various requirements of the commercial cannabis licensing process addressing cannabis cultivation operations which had reserved acreage in the acreage cap but were not cultivating all the acreage that had been reserved. This amendment proposes up to three years for cannabis growers who have reserved acreage under the acreage cap to phase in operations. The amendment also accommodates requests for fallowing, allowing operators to not grow for up to one year, limited to once every three years.
