SUBJECT: Amendments to Bob's Backhoe & Trucking and Filippin Engineering Inc.
Agreements, All Supervisorial Districts

County Counsel Concurrence

As to form: Yes

Auditor-Controller Concurrence

As to form: Yes

Other Concurrence: Risk Management

As to form: Yes

Recommended Actions:

- a) Approve, ratify, and authorize the Public Works Director or his designee to execute Amendment No. 1 to the Agreement for Services of Independent Contractor with Bob's Backhoe & Trucking – BC No. 22-095 (a local vendor) adding additional federal clauses and increasing the contract amount by \$1,000,000 to an amount of not-to-exceed of \$2,000,000 for as needed maintenance and emergency response work;
- b) Approve, ratify, and authorize the Public Works Director or his designee to execute Amendment No. 1 to the Agreement for Services of Independent Contractor with Filippin Engineering Inc.- BC No. 22-025 (a local vendor) adding additional federal clauses and increasing the contract about by \$300,000 to a total not-to-exceed amount of \$600,000 for as needed contract management and engineering services; and
- c) Find that the recommended actions to amend contracts for trucking and maintenance services are fiscal activities not constituting a "Project" within the meaning of the California Environmental Quality Act, as set forth in 14 CCR 15378(b)(4).

Summary Text:

This item is on the agenda in order to authorize the Public Works Director or designee to execute amendments with Bob's Backhoe & Trucking and Filippin Engineering Inc. to continue emergency response work.

Bob's Backhoe is currently cleaning out several creeks and debris basins. Filippin Engineering Inc. is providing monitoring and tracking of various debris basin and creek cleanouts. These amendments will allow the District to continue current emergency response work associated with this latest declared emergency and allow for future response efforts as well.

Background:

Every year, the District renews contracts with a variety of tri-county contractors pursuant to Public Contract Code 21271. The Flood Control District's Board of Directors can enter into contracts without advertising for bids if the work consists of protection or maintenance of channels, stormdrains, dams, or other flood control works. Bob's Backhoe & Trucking is one of the contractors selected to enter into this type of an agreement.

Filippin Engineering Inc. is a prequalified consultant and has been evaluated and selected through a prequalification process by the Public Works Department. Filippin is prequalified for several categories including flood control engineering and construction management services.

Both agreements are ongoing contracts and were approved as part of FY 2022-23 budget.

The work currently being performed as part of these agreements is emergency response and may be eligible for state and federal reimbursement.

Fiscal and Facilities Impacts:

Budgeted: Yes

Fiscal Analysis:

Narrative:

Emergency response efforts are included in the budget every year in the Water Resources Division of the Public Works Department. If costs exceed the current amount budgeted, a Budget Request Revision will come before your Board for approval to address costs and expenditures that will be incurred by the District.

No General Fund monies will be utilized for work associated with these agreements.

Key Contract Risks:

The key contract risks are low for this agreement.

Special Instructions:

Direct the Clerk of the Board to email a copy of the minute order of these actions to
clopez@countyofsb.org
