That the Board of Supervisors:

- A. Execute the attached agreement with the State of California, Department of Transportation, for the exchange of Federal Highway dollars for Non-Federal State Highway Account dollars, for Fiscal Year 2009/10 apportionments in the amount of \$558,115.
- B. Authorize Staff to disperse these Local Surface Transportation Program (LSTP) funds to the City of Buellton, the City of Guadalupe and the City of Solvang, in the amounts identified for FY 2009/10 in the Federal Transportation Improvement Program (FTIP).

Summary Text:

Each year, the County of Santa Barbara has the opportunity to exchange Federal Highway dollars for Non-Federal State Highway Account dollars through this agreement between the State and the County. This exchange is desirable as it gives the County the flexibility to use these funds for a wide range of transportation projects, from local road improvements to matching funds for other State or Federally funded projects. The Federal mandates associated with Federal funds are not applicable to funds converted to State Highway Account dollars; therefore, these funds can be used without Federal restrictions. The Board has approved similar exchange agreements each year for the last ten fiscal years. With the execution of this agreement, the County can receive the FY 2009-10 apportionments in the amount of \$558,115.

Background:

Since the approval of the Intermodal Surface Transportation Efficiency Act (ISTEA) in 1991, Santa Barbara County has appropriated a sum of Federal funds annually, in an amount determined by the Federal Government. These funds are shared between the County and Cities of the County, as determined by guidelines adopted by the Santa Barbara County Association of Governments (SBCAG). Furthermore, Streets and Highway Code, Sections 182.6 and 182.9, allow the exchange of these funds for Non-Federal State Highway Account funds.

By agreement, the County is responsible for collecting these funds on behalf of the City of Buellton, the City of Guadalupe and the City of Solvang. Once the County receives the exchanged funds from the State, each of these Cities can request their portion directly from the County.
