Title: Annual Adjustment to Teeter Tax Loss Reserve

Budget Action: Establish appropriations of \$416,441 in General Revenues General Fund for Intrafund Expenditure Transfer (Out) funded by unanticipated revenue from

Property Tax Penalties. Increase appropriations of \$416,441 in General County Programs General Fund to increase Nonspendable Teeter Tax Losses fund

balance funded by an intrafund expenditure transfer (In) from the General Revenues General Fund.

Justification: This Budget Revision increases by \$416,441 that portion of the Nonspendable Fund Balance in the General County Programs General Fund to recognize the

increase in this year's minimum Tax Losses Reserve to \$10,410,837 (1% of the current years secured tax levy) as required by the Teeter Plan. By statute (Revenue & Taxation Code Section 4703), each year the Teeter Plan requires the Reserve for Tax Losses to be adjusted to a minimum of 1% of the current

year' secured tax levy. These Reserves for Tax Losses are established to absorb potential losses arising out of the special sales of tax-defaulted property.
