SUBJECT: **Construction of American Recovery and Reinvestment Act (ARRA) Hot Mix Asphalt Overlay and Miscellaneous Concrete Repairs in the Second and Fifth Supervisorial Districts of Santa Barbara County; County Project No. 810537, Federal Project No. ESPL 5951 (132)**

County Counsel Concurrence

As to form: NA

Auditor-Controller Concurrence

As to form: NA

Other Concurrence: Risk Management

As to form: NA

Recommended Actions:

That the Board of Supervisors:

- A.) Approve and accept the Notice of Completion for work performed by the Contractor, Granite Construction Company, Inc. (a local vendor), Post Office Box 6744, Santa Barbara, California 93160, and authorize Clerk to Record.
- B.) Approve and authorize the Chair to execute the Statement of Final Quantities for work performed and materials supplied for this project by the Contractor, in the amount of \$551,637.72.

Summary Text:

The construction of this project resurfaced 3.3 lane miles in the unincorporated areas of Goleta and Santa Maria (see attachment C for street locations). The scope of this project included repairs to failed pavement areas, placing Type-B asphalt concrete overlay on top of a Geosynthetic Pavement Interlayer, and an asphalt concrete leveling course.

The Director of Public Works accepted this project as complete on March 30, 2010. The project was completed on time and on budget.

Background:

To date, this project was one of eight that received federal 2009 ARRA stimulus funding. Of these ARRA projects, this is the second of two Asphalt Overlay projects. Designed to preserve and increase the longevity of several roads throughout the County, these projects involved roadway repairs and placing asphalt concrete overlays on the roadway. This project was located in the unincorporated area of Goleta, on Modoc Road, between State Street and Via Laguna Drive, and on Betteravia Road, from Hwy. 101 to 1 mile east of the Santa Maria City limits. (Please refer to Attachment C.)

On June 2, 2009, the Board approved and authorized the Director of Public Works to advertise for the construction bids, and approve the CEQA Notice of Exemptions and road rehabilitation locations. This project received authorization to proceed with construction from Caltrans on September 9, 2009.

Modoc Road After Construction

Fiscal and Facilities Impacts:

Budgeted: Yes

Fiscal Analysis:

<u>Funding Sources</u>	<u>Current FY Cost:</u>	<u>Annualized On-going Cost:</u>	<u>Total One-Time Project Cost</u>
General Fund			
State:			
Federal: ARRA		\$	500,000.00
Fees:			
Other: Haul Route		\$	51,637.72
Total		\$	551,637.72

Narrative:

The American Recovery and Reinvestment Act (ARRA) funded 90% of the project's total construction costs (\$500,000). Haul Route funds, generated from the Santa Maria Landfill, covered the remaining 10% (\$51,637.72). Public Works budgeted funds for this project in Department 054 Fund 0016, Org Unit 0500, Program 2710, Account 7510.

Staffing Impacts: NA

Legal Positions:
None

FTEs:
None

Special Instructions:

Clerk of the Board will file and record the original documents.

Please provide a certified stamped Minute Order approving the actions by the Board and a copy of the fully executed Notice of Completion and Statement of Final Quantities to the following:

1. Public Works Department, Transportation Division, Road Construction Section
North County Public Works Office at 620 W. Foster Rd., Santa Maria, Attn: Linda Thompson
2. Public Works Department, Transportation Division, Administration, Attn: Gena Valentine-Felix
