

APPLICATION FOR AND AUTHORIZATION OF DISCHARGE OF ACCOUNTABILITY
(Government Code §25257)

COUNTY OF SANTA BARBARA, STATE OF CALIFORNIA

The following summary table includes a total of 619 invoices for annual permit fees that failed to be paid in the sum of \$239,882.77 dating from April 1, 1993 through January 25, 2013. Full invoice detail may be found on the following pages. Further collection effort would be impracticable because the time for commencing legal action against these facilities has expired (Code of Civil Procedure section 338.1); these facilities no longer require health permits for the years noted; and the businesses assessed these permit fees may no longer be operating. County of Santa Barbara, Environmental Health Services / CUPA hereby requests an order of discharge of accountability per California Revenue and Taxation Code, Sections 2611.1 – 2611.3.
