PROJECT TITLE: Stow Flood Control Easement Vacation

PROJECT DESCRIPTION: Both the County of Santa Barbara and the Flood Control District have determined that the easement is no long necessary to be retained for flood control purposes. The Flood Control District and the County have determined the easement to be excess. The easement was granted to both the County of Santa Barbara and the Santa Barbara County Flood Control and Water Conservation District and must be vacated by both entities. The Public Works Department is recommending to the Directors of the Flood Control and Water Conservation District that they approve and authorize the chair to execute the Summary Vacation and Quitclaim Deed relinquishing title to the easement for flood control purposes and thereby clearing title to the underlying property owner.
