

Permit Changes for Processing

1. Clarification on **processing** -“drying, curing, trimming, etc.,” not manufacturing, correct?
2. For an **existing LUP**, allow processing as a minor change (not appealable) or with a new LUP (appealable)?
3. For an **existing CUP**, allow processing with an LUP or CUP?
4. For a **completely new project** (not subject to an existing permit), allow processing with a LUP or CUP?
