Recommended Actions:

County Counsel recommends that the Board of Supervisors:

- a) Approve, ratify, and authorize the Chair to execute the attached First Amendment to Agreement for Professional Legal Services between the County of Santa Barbara and attorney Douglas Dennington, of the law firm Rutan & Tucker, LLP, to extend the term of the contract to June 30, 2023; and
- b) Determine that the above action is not a project under the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Sections 15378(b)(4) and 15378(b)(5) because it consists of government administrative or fiscal activities that will not result in direct or indirect physical changes in the environment.

Summary Text:

On October 6, 2020, the Board executed an Agreement for Professional Services between the County of Santa Barbara (County) and Douglas Dennington of the law firm Rutan & Tucker, LLP. The primary purpose of the Agreement was to retain a law firm with expertise in the specialized area of law on eminent domain proceedings and litigation due to the retirement of the County's prior Outside Counsel for these matters, Duff Murphy, of Oliver, Sandifer and Murphy.

Since that time, Mr. Dennington and his firm have assisted the County with legal services and expertise as needed from time to time, including on projects by the County and currently pending eminent domain litigation. This includes litigation related to projects by the Public Works-Transportation Division to

acquire property necessary to complete certain bridge and road projects, including the Fernald Point Lane Project. A separate approval of your Board is required before the initiation of any additional eminent domain proceedings.

Performance Measure: N/A

Contract Renewals and Performance Outcomes: N/A

Fiscal and Facilities Impacts:

Budgeted – Outside Counsel Designation: \$150,000 paid by Department 054, Fund 0014, Line Item 7460 and individual project budgets as appropriate.

Fiscal Analysis:

The contact has a not-to-exceed amount of \$150,000. This cost will be paid for by federal grant funds from the individual project budgets from the Public Work's Transportation Division budget as set forth above.

Key Contract Risks:

This contract does not include the County's indemnification clause; however, the firm is required to and does maintain professional liability insurance. This professional liability insurance is likely to cover any malpractice claims that may arise. Even without this clause, County Counsel views this Agreement as low risk because the involved partners from Rutan & Tucker, LLP are highly experience and have worked successfully with the County and with other government agencies for many years.

Staffing Impacts:

Contracting with Outside Counsel will allow the County to obtain the specialized legal services needed in these matters without hiring additional staff attorneys.
