## Interests & Experiences

**Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.**

---

I have been an active member of the Montecito community for 40 years. I love this town and the people who live here. I've given birth to both my children at Cottage Hospital and both attended school here. I have been a full time realtor with an office in Montecito since 1989. I have learned so much about housing, land, development, planning, etc. through my work and it's always been fascinating to me. I feel my experience has been of benefit to both clients and other residents and have a great deal of interest in preserving both the look and quality of life here.

**Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.**

---

I have actively participated in the following non-profit organizations here in Montecito since 1983: Childhelp USA, Girls Inc. 100 committee for almost 25 years, was part of the original group raising money to start Teddy Bear Cancer Fdn. at the request of Larry Crandell, Santa Barbara Bowl Fdn - Education Outreach committee from 1998 through present and a member of the Board of Directors from 2002+/- (not positive of that start date) through 2020, CASA when they first came to SB with Barbara Margerum, Montecito Association Board of Directors for 2 different terms, and on the Santa Barbara Board of Realtors Nominating committee two or three times, member of one of the original 12 families who first created the Community Shul of Montecito and Santa Barbara (with Rabbi Arthur Gross-Schaefer), Chair of the Women's Division of the Santa Barbara Jewish Federation for, I believe, two terms.

## PROFESSIONAL

As a resident of Montecito since 1982, Sandy has dedicated herself to both her clients and her community helping buyers and sellers meet a wide range of real estate goals. Serving a broad spectrum, of both residential and ranch properties, she is highly familiar with the many different areas throughout Santa Barbara County and the benefits, climate and amenities indigenous to each of them. She is also very well informed and a valuable resource regarding Santa Barbara area schools, both public and private.

Sandy grew up in Beverly Hills and attended Beverly Hills High School. She continued on and received a Bachelor of Arts from the University of Colorado at Boulder and a Master of Science in Education from the University of Southern California.

Her involvement with the community dates back to the 1980s when she was involved with Childhelp USA, StopAIDS (the first local effort to help AIDS victims), and through the years as part of CASA, Teddy Bear Cancer Foundation, Girls Inc., Notes for Notes, Santa Barbara Bowl Foundation and others as listed below.
