**RE: Incentive Payment Program Funding Award Determination**

Dear Ms. Navarro,

CenCal Health (CenCal) is pleased to make available Incentive Payment Program (IPP) funds to support the implementation and expansion of Enhanced Care Management and Community Supports services. IPP is an opportunity offered by the Department of Health Care Services in which CenCal has elected to participate, and for which we will accept applications until such time as IPP funding is exhausted.

This letter is to inform you that CenCal's IPP Application Review Committee (Committee) has met and reviewed your organization's IPP application. We are pleased to inform you that your application has been approved for funding.

CenCal Health has allocated a total award amount of \$804,078 in IPP funding to County of Santa Barbara Behavioral Wellness Department. Issuance of funding is contingent upon execution of an IPP Funding Agreement (Agreement), which will be sent shortly. When received, please sign the Agreement at your earliest convenience. Once the Agreement is fully executed by both parties, IPP payment will be issued within 30 days thereafter.

CenCal is thrilled to partner with County of Santa Barbara Behavioral Wellness Department on the implementation and expansion of these important services. Thank you for your partnership and your commitment to serving CenCal Health members.

Sincerely,
