COUNTY CLERK, RECORDER AND ASSESSOR ELECTIONS DIVISION

February 5, 2024

Re: Orcutt CFD Keysite 2 Annexation – Special Election

The County Elections Division mailed a ballot to the qualified elector on January 23, with a deadline to return of January 29 at 12:00 pm. However, the qualified elector reported not receiving their initial ballot. Per Government Code Section 53326(a), the qualified elector and the elections official conducting the election unanimously consented and agreed to waive the time limit, opting to extend the deadline. County Elections issued a second ballot under the updated time constraints, with a final due date of February 1, 2024. This ballot was voted and cast by the elector, and accepted by County Elections, all within the newly specified time frame.

The results for the County of Santa Barbara Community Facilities District No. 2002-1 (Orcutt Community Facilities District) Special Election held on February 1 have been tallied here today and based on every property owner receiving one vote per acre, or portion thereof, owned within the area to be annexed the results are as follows:

There is one property owner within the area to be annexed owning 5.83 acres and therefore receiving 6 votes. The landowner has cast their ballot and the results are 6 “Yes” votes authorizing the annexation and levy of special taxes.

This Special Election will be certified, and the results reported and submitted to the Board of Supervisors at their regularly scheduled meeting on Tuesday, February 6, 2024.
