## RESOLUTION IN SUPPORT OF THE STRUGGLE OF THE AMHARA PEOPLE OF ETHIOPIA

*WHEREAS, the war in Ethiopia's Amhara region is claiming countless lives, endangering civilians, and challenging peace, pluralism, and human rights; and*

*WHEREAS, the Amhara people are indigenous to Ethiopia, are one of the largest ethnic groups in the country, and have a rich culture and history that is intertwined into the fabric of Ethiopia; and*

*WHEREAS, a large number of Amhara civilians, many of whom were unarmed women, children, and elderly people, were killed, or injured through the use of drone strikes, heavy artillery shelling, and other weapons of war by government security forces since April 2023; and*

*WHEREAS, government security forces and other violent armed groups have perpetrated acts of sexual and gender-based violence on Amhara women and girls; and*

*WHEREAS, the Lemkin Institute for Genocide Prevention and the UN Special Adviser on the Prevention of Genocide have issued an Active Genocide Alert for Ethiopia's Amhara Region due to ongoing killings of Amhara civilians by federal forces, the Oromo Liberation Army, and Oromia Region security forces; and*

*WHEREAS, the European Centre for Law and Justice (ECLJ) also reported that the human rights violations range from forced displacement and mass arrests to systematic massacres and ethnic cleansings; and The Economist reported that abductions and killings are rampant across the nation; and*

*WHEREAS, the United Nation World Food Program affirmed the use of starvation as a weapon of war and that chronic food insecurity is prevalent in the Amhara Region in recent years; and*

*WHEREAS, since Spring of 2022 Ethiopia's ruling Oromo Prosperity Party has arrested thousands of Amhara civilians including parliamentarians, opposition figures, journalists, civil society leaders, and other citizens who have faced torture, arbitrary detainment, enforced disappearance, lack of due process, inordinate legal fees; and*

*WHEREAS, freedom of press and freedom of expression in Ethiopia has been under threat following the arrest of independent Amhara journalists, internet disruptions, the suspension of over a dozen media outlets; and*

*WHEREAS, the County of Santa Barbara encourages continued efforts of the Biden Administration to respond to ethnic violence and tensions in Ethiopia, including declining to reinstate Ethiopia's participation as a beneficiary in the AGOA until progress is made towards a peaceful settlement of the conflict, and conditions allow for the smooth flow of humanitarian aid;*

*NOW, THEREFORE, IT IS HEREBY ORDERED AND RESOLVED, that this Board of Supervisors affirms its support for the Amhara people.*

*PASSED AND ADOPTED by the Board of Supervisors of Santa Barbara County, State of California, this 27th day of February 2024, by unanimous vote of all members present.*
