

Santa Barbara County Flood Control District

A large-scale construction project for flood control infrastructure. The foreground shows a deep excavation pit with a dense grid of steel reinforcement bars (rebar) laid out on the bottom. Several construction workers in orange safety gear are visible, working on the rebar. The sides of the excavation are lined with white plastic sheeting. In the background, there are trees, a utility pole, and a clear blue sky. The overall scene is one of active construction in a natural setting.

**Benefit Assessment Update
Board of Supervisors Meeting
June 18, 2013**

Flood Control Benefit Assessments

- Voter Approved Assessments
- Assessment Approved with an Annual CPI Adjustment to Preserve Funding Levels
- Proposed Increase 1.29% for FY 2013-14

Proposed Benefit Assessment Rates

FY 2013 - 2014
