

A scenic landscape photograph of Mission Canyon. In the background, a large, rugged mountain with a rocky peak rises against a clear blue sky. The middle ground is filled with a dense forest of tall, dark green pine trees. The foreground consists of a field of dry, yellowish-brown grasses and some green shrubs, suggesting a dry climate. The overall scene is bright and clear.

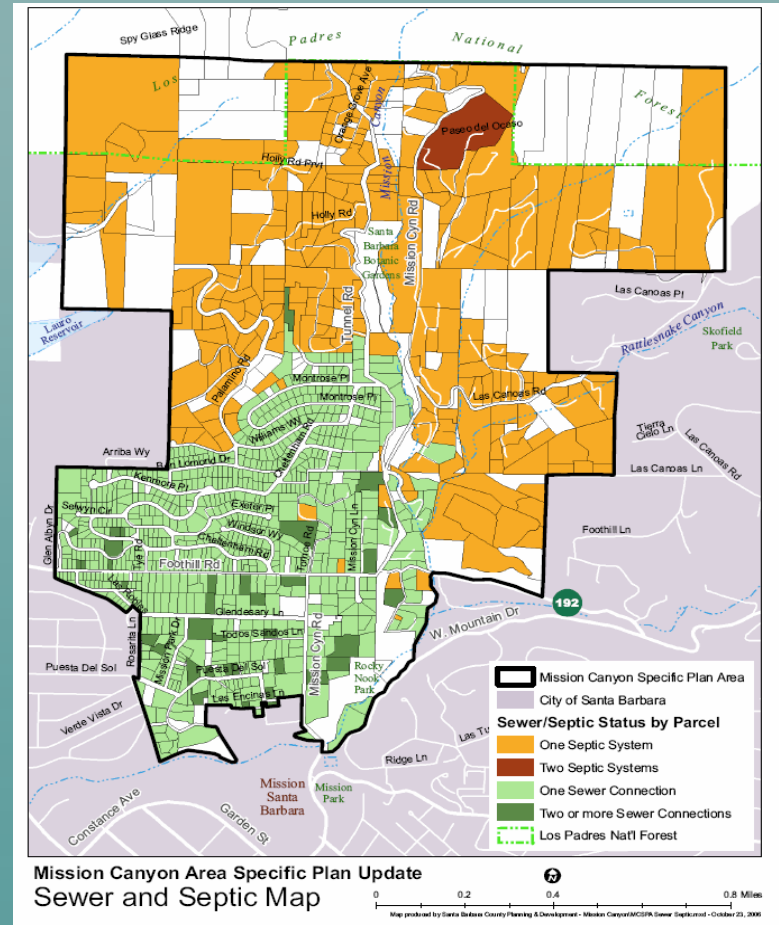

Mission Canyon Sewer District

County Service Area 12

Sewer Rate Schedule for 2013-2014

Services

- The southern area is on sewer while northern area is on septic
- The lower canyon is more densely populated with smaller lots, while the upper canyon is less densely populated with larger lots
- Sewer extensions may occur in the future

Sewer Service Rates

- An 8.17% rate increase is proposed for this year
 - \$722 to \$781 per year (\$60.17 to \$65.08 per month)
- 77% of the annual cost is for treatment and disposal services from the City of Santa Barbara
- 23% of the annual cost is for County maintenance and capital reserve.

Board Recommendation

- Adopt ordinance establishing service charges for FY 2013-2014
