12. **RECORDS, AUDIT, AND REVIEW.** Contractor shall keep such business records pursuant to this Agreement as would be kept by a reasonably prudent practitioner of Contractor's profession and shall maintain such records until such time that the State Department of Health Care Services completes its final audit for the fiscal year(s) covered by this Agreement, or not less than three (3) years from the end of the term of this Agreement, whichever is later. All account records shall be kept in accordance with generally accepted accounting practices. County shall have the right to audit and review all such documents and records, either at any time during Contractor's regular business hours, or upon reasonable notice to Contractor.
13. **COMPLIANCE WITH HIPAA.** Contractor is expected to adhere to Health Insurance Portability and Accountability Act (HIPAA) regulations and to develop and maintain comprehensive patient confidentiality policies and procedures, provide annual training of all staff regarding those policies and procedures, and demonstrate reasonable effort to secure written and/or electronic data. The parties should anticipate that this Agreement will be modified as necessary for full compliance with HIPAA.
14. **INDEMNIFICATION AND INSURANCE.** Contractor shall agree to defend, indemnify and hold harmless the County and to procure and maintain insurance in accordance with the provisions of Exhibit C attached hereto and incorporated herein by reference.

16. **DISPUTE RESOLUTION.** Any dispute or disagreement arising out of this Agreement shall first be addressed and resolved at the lowest possible staff level between the appropriate representatives of the Contractor and of the County. If the dispute or disagreement cannot be resolved at this level, it is to be elevated to the

AGREEMENT

Contractor's Program Manager and County's relevant Program Manager. If the Managers cannot resolve the dispute, they are to take the following actions:

- A. Decision – Each party shall reduce the dispute to writing and submit to the appropriate ADMHS Assistant Director. The Assistant Director shall assemble a team to investigate the dispute and to prepare a written decision. This decision shall be furnished to the Contractor within thirty (30) days of receipt of the dispute documentation. This decision shall be final unless appealed within ten (10) days of receipt.
- B. Appeal – The Contractor may appeal the decision to the Santa Barbara County Alcohol, Drug, and Mental Health Services Director or designee. The decision shall be put in writing within twenty (20) days and a copy thereof mailed to the Contractor's address for notices. The decision shall be final.
- C. Continued Performance - Pending final decision of the dispute hereunder, Contractor shall proceed diligently with the performance of this Agreement.
- D. Dispute Resolution - The finality of appeal described herein is meant to imply only that recourse to resolution of disputes through this particular dispute resolution mechanism has been concluded. This is in no way meant to imply that the parties have agreed that this mechanism replaces either party's rights to have its disputes with the other party heard and adjudicated in a court of competent jurisdiction.

17. TERMINATION.

- A. **BY COUNTY.** County, by written notice to Contractor, may terminate this Agreement in whole or in part at any time, whether for County convenience or because of the failure of Contractor to fulfill the obligations herein. Upon termination, Contractor shall deliver to County all data, estimates, graphs, summaries, reports, and all other records, documents or papers as may have been accumulated or produced by Contractor in performing this Agreement, whether completed or in process.

- 1. **FOR CONVENIENCE.** County may terminate this Agreement upon thirty (30) days written notice. Following such notice of termination, Contractor shall notify County of the status of its performance and cease work at the conclusion of the thirty (30) day notice period.

Notwithstanding any other payment provision of this Agreement, County shall pay Contractor for services performed to the date of termination to include a prorated amount of compensation due hereunder less payments, if any, previously made. In no event shall Contractor be paid an amount in excess of the maximum budgeted amount for this Agreement as set forth in Exhibit B, or paid for profit on unperformed portions of service. Contractor shall furnish to County such financial information as, in the judgment of County, is necessary to determine the reasonable value of the services rendered by Contractor. In the event of a dispute as to the reasonable value of the services rendered by Contractor, the decision of County shall be final.

AGREEMENT

2. **FOR CAUSE.** Should Contractor default in the performance of this Agreement or materially breach any of its provisions, County may, at County's sole option, terminate this Agreement by written notice which shall be effective upon receipt by Contractor.

B. **BY CONTRACTOR.** Contractor may, upon thirty (30) days written notice to County, terminate this Agreement in whole or in part at any time, whether for Contractor's convenience or because of the failure of County to fulfill the obligations herein. Following such termination, Contractor shall promptly cease work and notify County as to the status of its performance.

18. **ENTIRE AGREEMENT, AMENDMENTS, AND MODIFICATIONS.** In conjunction with the matters considered herein, this Agreement contains the entire understanding and agreement of the parties. There have been no promises, representations, agreements, warranties or undertakings by any of the parties, either oral or written, of any character or nature hereafter binding except as set forth herein. This Agreement may be amended or modified only by the written mutual consent of the parties hereto. Requests for changes to the terms and conditions of this agreement after April 1 of the Fiscal Year for which the change would be applicable shall not be considered. All requests for changes shall be in writing. Changes shall be made by an amendment pursuant to this Section. Any amendments or modifications that do not materially change the terms of this Agreement (such as changes to the Designated Representative or Contractor's address for purposes of Notice) may be approved by the director of Alcohol, Drug & Mental Health Services. The Board of Supervisors of the County of Santa Barbara must approve all other amendments and modifications. Each party waives its future right to claim, contest or assert that this Agreement was modified, canceled, superseded, or changed by any oral Agreements, course of conduct, waiver or estoppel.

19. **NON-EXCLUSIVE AGREEMENT.** Contractor understands that this is not an exclusive Agreement and that County shall have the right to negotiate and enter into contracts with others providing the same or similar services as those provided by Contractor as the County desires.

20. **SUCCESSORS AND ASSIGNS.** All representations, covenants and warranties set forth in this Agreement, by or on behalf of or for the benefit of any or all parties hereto, shall be binding upon and inure to the benefit of such party, its successors and assigns.

21. **ASSIGNMENT.** Contractor shall not assign any of its rights nor transfer any of its obligations under this Agreement without the prior written consent of County. Any attempt to so assign or so transfer without such consent shall be void and without legal effect and shall constitute grounds for termination.

22. **REMEDIES NOT EXCLUSIVE.** No remedy herein conferred upon or reserved to the parties is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given hereunder, now or hereafter existing at law or in equity or otherwise.

AGREEMENT

23. **NO WAIVER OF DEFAULT.** No delay or omission of the parties to exercise any right or power arising upon the occurrence of any event of default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Agreement to the parties shall be exercised from time-to-time and as often as may be deemed expedient in the sole discretion of either party.
24. **CALIFORNIA LAW.** This Agreement shall be governed by the laws of the State of California. Any litigation regarding this Agreement or its contents shall be filed in the County of Santa Barbara, if in State Court, or in the Federal District Court nearest to Santa Barbara County, if in Federal Court.
25. **COMPLIANCE WITH LAW.** Contractor shall, at his sole cost and expense, comply with all County, State and Federal ordinances and statutes now in force or which may hereafter be in force with regard to this Agreement. The judgment of any court of competent jurisdiction, or the admission of Contractor in any action or proceeding against Contractor, whether County be a party thereto or not, that Contractor has violated any such ordinance or statute, shall be conclusive of that fact as between Contractor and County.
26. **SECTION HEADINGS.** The headings of the several sections, and any table of contents appended hereto shall be solely for convenience of reference and shall not affect the meaning, construction or effect hereof.
27. **SEVERABILITY.** If any one or more of the provisions contained herein shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions hereof. Such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.
28. **EXECUTION OF COUNTERPARTS.** This Agreement may be executed in any number of counterparts. Each counterpart shall for all purposes be deemed to be an original; and all such counterparts, or as many of them as the parties shall preserve undestroyed, shall together constitute one and the same instrument.
29. **TIME IS OF THE ESSENCE.** Time is of the essence in this Agreement, and each covenant and term is a condition herein.
30. **AUTHORITY.** All parties to this Agreement warrant and represent that they have the power and authority to enter into this Agreement in the names, titles and capacities herein stated and on behalf of any entities, persons, or firms represented or purported to be represented by such entity(ies), person(s), or firm(s) and have complied with all formal requirements necessary or required by any state and/or federal law in order to enter into this Agreement. Furthermore, by entering into this Agreement, Contractor hereby warrants that it shall not have breached the terms or conditions of any other Agreement or Agreement to which Contractor is obligated, which breach would have a material effect hereon.

AGREEMENT

31. **PRECEDENCE.** In the event of conflict between the provisions contained in the numbered sections of this Agreement and the provisions contained in the Exhibits, the provisions of the Exhibits shall prevail over those in the numbered sections.
32. **COMMUNICATION.** Contractor shall acknowledge in any public announcement regarding the program that is the subject of this Agreement that Santa Barbara County Alcohol, Drug, and Mental Health Department provides all or some of the funding for the program.
33. **PRIOR AGREEMENTS.** Upon execution, this Agreement supersedes all prior Mental Health Services agreements between County and Contractor.
34. **COURT APPEARANCES.** Upon request, Contractor shall cooperate with County in making available necessary witnesses for court hearings and trials, including Contractor's staff that have provided treatment to a client referred by County who is the subject of a court proceeding. County shall issue Subpoenas for the required witnesses upon request of Contractor.
35. **NONAPPROPRIATION OF FUNDS.**
- A. The parties acknowledge and agree that this Agreement is dependent upon the availability of County, State, and/or federal funding. If funding to make payments in accordance with the provisions of this Agreement is not forthcoming from the County, State and/or federal governments for the Agreement, or is not allocated or allotted to County by the County, State and/or federal governments for this Agreement for periodic payment in the current or any future fiscal period, then the obligations of County to make payments after the effective date of such non-allocation or non-funding, as provided in the notice, will cease and terminate.
 - B. As permitted by applicable State and Federal laws regarding funding sources, if funding to make payments in accordance with the provisions of this Agreement, is delayed or is reduced from the County, State, and/or federal governments for the Agreement, or is not allocated or allotted in full to County by the County, State, and/or federal governments for this Agreement for periodic payment in the current or any future fiscal period, then the obligations of County to make payments will be delayed or be reduced accordingly or County shall have the right to terminate the Agreement as provided in Section 17. If such funding is reduced, County in its sole discretion shall determine which aspects of the Agreement shall proceed and which Services shall be performed. In these situations, County will pay Contractor for Services and Deliverables and certain of its costs. Any obligation to pay by County will not extend beyond the end of County's then-current funding period.
 - C. Contractor expressly agrees that no penalty or damages shall be applied to, or shall accrue to, County in the event that the necessary funding to pay under the terms of this Agreement is not available, not allocated, not allotted, delayed or reduced.

STANDARD INDEMNIFICATION AND INSURANCE PROVISIONS for contracts REQUIRING professional liability insurance

1. INDEMNIFICATION

Indemnification pertaining to other than Professional Services:

Contractor shall defend, indemnify and save harmless the County, its officers, agents and employees from any and all claims, demands, damages, costs, expenses (including attorney's fees), judgments or liabilities arising out of this Agreement or occasioned by the performance or attempted performance of the provisions hereof; including, but not limited to: any act or omission to act on the part of the Contractor or his agents or employees or other independent Contractors directly responsible to him; except those claims, demands, damages, costs, expenses (including attorney's fees), judgments or liabilities resulting from the sole negligence or willful misconduct of the County.

Contractor shall notify the County immediately in the event of any accident or injury arising out of or in connection with this Agreement.

Indemnification pertaining to Professional Services:

Contractor shall indemnify and save harmless the County, its officers, agents and employees from any and all claims, demands, damages, costs, expenses (including attorney's fees), judgments or liabilities arising out of the negligent performance or attempted performance of the provisions hereof; including any willful or negligent act or omission to act on the part of the Contractor or his agents or employees or other independent Contractors directly responsible to him to the fullest extent allowable by law.

Contractor shall notify the County immediately in the event of any accident or injury arising out of or in connection with this Agreement.

2. INSURANCE

Without limiting the Contractor's indemnification of the County, Contractor shall procure the following required insurance coverages at its sole cost and expense. All insurance coverage is to be placed with insurers which (1) have a Best's rating of no less than A: VII, and (2) are admitted insurance companies in the State of California. All other insurers require the prior approval of the County. Such insurance coverage shall be maintained during the term of this Agreement. Failure to comply with the insurance requirements shall place Contractor in default. Upon request by the County, Contractor shall provide a certified copy of any insurance policy to the County within ten (10) working days.

Workers' Compensation Insurance: Statutory Workers' Compensation and Employers Liability Insurance shall cover all Contractor's staff while performing any

EXHIBIT C

work incidental to the performance of this Agreement. The policy shall provide that no cancellation, or expiration or reduction of coverage shall be effective or occur until at least ten (10) days after receipt of such notice by the County. In the event Contractor is self-insured, it shall furnish a copy of Certificate of Consent to Self-Insure issued by the Department of Industrial Relations for the State of California. This provision does not apply if Contractor has no employees as defined in Labor Code Section 3350 et seq. during the entire period of this Agreement and Contractor submits a written statement to the County stating that fact.

General and Automobile Liability Insurance: The general liability insurance shall include bodily injury, property damage and personal injury liability coverage, shall afford coverage for all premises, operations, products and completed operations of Contractor and shall include contractual liability coverage sufficiently broad so as to include the insurable liability assumed by the Contractor in the indemnity and hold harmless provisions of the Indemnification Section of this Agreement between County and Contractor. The automobile liability insurance shall cover all owned, non-owned and hired motor vehicles that are operated on behalf of Contractor pursuant to Contractor's activities hereunder. Contractor shall require all subcontractors to be included under its policies or furnish separate certificates and endorsements to meet the standards of these provisions by each subcontractor. County, its officers, agents, and employees shall be Additional Insured status on any policy. A cross liability clause, or equivalent wording, stating that coverage will apply separately to each named or additional insured as if separate policies had been issued to each shall be included in the policies. A copy of the endorsement evidencing that the policy has been changed to reflect the Additional Insured status must be attached to the certificate of insurance. The limit of liability of said policy or policies for general and automobile liability insurance shall not be less than \$1,000,000, per occurrence and \$2,000,000 in the aggregate. Any deductible or Self-Insured Retention {SIR} over \$10,000, requires approval by the County.

Said policy or policies shall include a severability of interest or cross liability clause or equivalent wording. Said policy or policies shall contain a provision of the following form:

"Such insurance as is afforded by this policy shall be primary and if the County has other valid and collectible insurance, that other insurance shall be excess and non-contributory."

If the policy providing liability coverage is on a 'claims-made' form, the Contractor is required to maintain such coverage for a minimum of three years following completion of the performance or attempted performance of the provisions of this agreement. Said policy or policies shall provide that the County shall be given thirty (30) days written notice prior to cancellation or expiration of the policy or reduction in coverage.

Professional Liability Insurance. Professional liability insurance shall include coverage for the activities of Contractor's professional staff with a combined single

EXHIBIT C

limit of not less than \$1,000,000, per occurrence or claim and \$2,000,000, in the aggregate. Said policy or policies shall provide that County shall be given ten (10) days written notice prior to cancellation, expiration of the policy, or reduction in coverage. If the policy providing professional liability coverage is on a 'claims-made' form, the Contractor is required to maintain such coverage for a minimum of three (3) years (ten years [10] for Construction Defect Claims) following completion of the performance or attempted performance of the provisions of this agreement.

Contractor shall submit to the office of the designated County representative certificate(s) of insurance documenting the required insurance as specified above prior to this Agreement becoming effective. County shall maintain current certificate(s) of insurance at all times in the office of the designated County representative as a condition precedent to any payment under this Agreement. Approval of insurance by County or acceptance of the certificate of insurance by County shall not relieve or decrease the extent to which the Contractor may be held responsible for payment of damages resulting from Contractor's services of operation pursuant to the Agreement, nor shall it be deemed a waiver of County's rights to insurance coverage hereunder.

3. In the event the Contractor is not able to comply with the County's insurance requirements, County may, at their sole discretion and at the Contractor's expense, provide compliant coverage.

The above insurance requirements are subject to periodic review by the County. The County's Risk Manager is authorized to change the above insurance requirements, with the concurrence of County Counsel, to include additional types of insurance coverage or higher coverage limits, provided that such change is reasonable and based on changed risk of loss or in light of past claims against the County or inflation. This option may be exercised during any amendment of this Agreement that results in an increase in the nature of County's risk and such change of provisions will be in effect for the term of the amended Agreement. Such change pertaining to types of insurance coverage or higher coverage limits must be made by written amendment to this Agreement. Contractor agrees to execute any such amendment within thirty (30) days of acceptance of the amendment or modification.
