PROJECT TITLE: Cebada Canyon Road Maintenance District Fee Resolution

PROJECT DESCRIPTION: Santa Barbara County is proposing a fee resolution that identifies a funding source to finance maintenance on specific roads in the Cebada Canyon area, for County Service Area No. 41. The Board of Supervisors manages the implementation of services funded through the benefit assessment tax. The road maintenance and repair for County Service Area No. 41 is funded through a benefit assessment. The Board of Supervisors must annually adopt the benefit assessment rates in order to assess them on the tax roll. The Public Works Department requests that the Board maintain the assessment for FY 2014/2015, which averages \$465.00, and will generate approximately \$23,704 in revenues.

EXEMPT STATUS :(Check One)

- ☐ Ministerial
- ☒ Statutory
- ☐ Categorical Exemption [Sec. 15301]
- ☐ Emergency Project
- ☐ No Possibility of Significant Effect [Sec. 15061(b, 3)]

Cite specific CEQA Guideline Section: 15273 (a) (1). Rates, Tolls, Fares, and Charges.

CEQA does not apply to the establishment, modification, structuring, restructuring, or approval of rates, tolls, fares, or other charges by public agencies which the public agency finds are for the purpose of meeting operating expenses.

Reasons to support exemption findings (attach additional material, if necessary): The exemption from CEQA is granted by the Legislature by statute as this administrative action involves the modification and structuring of charges. The proposed action for the establishment of the new permit fees will not allow for the expansion of services or facilities and that any increased revenues will be used for meeting operational expenses, financial reserve needs and other requirements. Therefore the project is contemplated by the CEQA exemption under section 15273. Further, there are no unusual circumstances which would create a possibility that there would be a significant effect.

As part of this action, and based upon the facts and analysis set forth in the agenda sheet and during the public hearing on this matter on June 3, 2014 Board of Supervisors meeting, the Board will adopt specific findings pursuant to CEQA Guidelines Section 15273, subsection (c), as follows:

1. The amendment of the fee resolution for Cebada Canyon Service Area 41 is to meet the operational expenses of the Public Works Department.
2. The amendment of the fee resolution for Cebada Canyon Service Area 41 may increase revenue and is to meet the financial reserves and requirements of the Public Works Department.
3. The amendment of the fee resolution for Cebada Canyon Service Area 41 is based on demand and market conditions and is not to obtain funds for capital project or for expansion of services or facilities.
