**Recommended Actions:**

That the Board of Supervisors:

- A. Approve and authorize the Chair to execute the attached Agreement for Services of Independent Contractor with Community Action Commission (CAC) to provide lunch meals at the Santa Maria Juvenile Hall (SMJH) and the Santa Barbara Alternative Report and Resource Center (SB ARRC) for Fiscal Year (FY) 2014-15, with a total contract amount not to exceed \$228,125 (Attachment A); and
- B. Determine that the approval of the Agreement is exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15061(b)(3), finding that this activity is covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment, and where it can be seen with certainty that there is no possibility that this activity may have a significant effect on the environment, the activity is not subject to CEQA, and direct staff to file a Notice of Exemption (Attachment B).

**Summary Text:** The CAC has provided lunch meals to the SMJH under the current bid since FY 2007-08, and to the SB ARRC since FY 2013-2014. Approving the attached Agreement would continue services through FY 2014-15 at an increased per meal cost from FY 2013-14. The cost would increase from \$4.30 per meal to \$5.00 per meal, increasing the contract amount by \$35,769 to a total contract amount of \$255,500.

**Background:**

Since FY 2007-08, CAC has provided lunch meals to the SMJH and since FY 2013-14 to the SB ARRC. The SMJH houses approximately 60 juvenile offenders on a daily basis and is responsible for the health and welfare of youth detained there, including the provision of meals. Breakfasts are prepared by Food Services Workers employed by the Probation Department. Dinner meals are prepared under contract with Vocational Training Center. The attached Agreement ensures that the County only pays for those meals ordered on a daily basis by Probation staff. It allows for a maximum of 125 meals and a minimum of 75 meals per day for the SMJH, and a maximum of 15 meals and a minimum of zero for the SB ARRC.

**Performance Measure:**

Meals must provide one-third of the Recommended Dietary Allowances (RDA) for protein, calcium, iron, vitamin A, and vitamin C.

Meals are to contain no more than 30% of calories from total fat and 10% of calories from saturated fat.

The dinner and lunch meals, in combination with the breakfast meal, shall not exceed the daily minimum caloric and nutrition standards set forth in the Minimum Standards for Juvenile Facilities by Subchapter 5 of Chapter 1 of Division 1 of the Title 15 of the California Code of Regulations, including Article 9 and specifically Section 1461.

Contractor must maintain menu, food production and temperature records which demonstrate that the required food components, food items, or menu items are served each given day.

Meals shall be delivered to the SMJH and SB ARRC and at the times specified in the Agreement.

**APN(s):** N/A

**Case No.:** N/A

**Location:** Santa Barbara County

**Project Title:** Contract to provide lunch meals at the Santa Maria Juvenile Hall and the Santa Barbara Alternative Report and Resource Center

**Project Description:**

**Exempt Status:** (Check one)

- ☐ Ministerial
- ☐ Statutory
- ☐ Categorical Exemption
- ☐ Emergency Project
- ☐ Not a Project: Section \_\_\_\_\_
- ☒ Other: No Possibility of Significant Effect

**Cite specific CEQA Guideline Section:** Section 15061(b)(3): This activity is covered by the general rule that CEQA only applies to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA.

**Reasons to support exemption findings:** The Agreement for Services of Independent Contractor is for the provision of lunch meals to the youth housed in the Santa Maria Juvenile Hall and the Santa Barbara Alternative Report and Resource Center under State and Federal guidelines for school meals. Therefore, it can be seen with certainty that there is no possibility that this project may have a significant effect on the environment and is not subject to CEQA.
