

ATTACHEMENT A

AN ORDINANCE OF THE COUNTY OF SANTA BARBARA AMENDING CHAPTER 12 OF THE SANTA BARBARA COUNTY CODE PREVIOUSLY ENTITLED "CIVIL DEFENSE AND DISASTER" AND NOW ENTITLED "EMERGENCY MANAGEMENT" ORDINANCE NO. ____

The Board of Supervisors of the County of Santa Barbara, State of California, ordains as follows:

SECTION 1: Ordinance Amendment

CHAPTER 12 EMERGENCY MANAGEMENT

Sec. 12-1. Title of Chapter

This chapter is entitled "Emergency Management".

Sec. 12-2. Purpose

The purpose of this chapter is to establish in accordance with state laws and regulations, the authorities and systems that provide for the preparation and execution of plans for the protection of persons, property, and the environment within this County in the event of an emergency; provides the direction for the emergency organization; the coordination of emergency and recovery functions of this County with all other public agencies, corporations, organizations and affected private persons; and the continuity of the local government.

Sec. 12-3. Definitions

The following definitions shall apply to this Chapter:

(a) Emergencies:

- (1) "Local Emergency" means the duly proclaimed existence of conditions of disaster or of extreme peril to the safety of persons and property within the territorial limits of a county, city and county, or city, caused by such conditions as air pollution, fire, flood, storm, epidemic, riot, drought, sudden and severe energy shortage, plant or animal infestation or disease, the Governor's warning of an earthquake or volcanic prediction, or an earthquake, or other conditions, other than conditions resulting from a labor controversy, which are or are likely to be beyond the control of the services, personnel, equipment, and facilities of that political subdivision and require the combined forces of other political subdivisions to combat, or with respect to regulated energy utilities, a sudden and severe energy shortage requires extraordinary measures beyond the authority vested in the California Public Utilities Commission;
- (2) "State of Emergency" means the duly proclaimed existence of conditions of disaster or of extreme peril to the safety of persons and property within the state caused by such conditions as air pollution, fire, flood, storm, epidemic, riot, drought, sudden and severe energy shortage, plant or animal infestation or disease, the Governor's warning of an earthquake or volcanic prediction, or an earthquake, or other conditions, other than conditions resulting from a labor controversy or conditions causing a "state of war emergency," which, by reason of their magnitude, are or are likely to be beyond the control of the services, personnel, equipment, and facilities of any single county, city and county, or city and require the combined forces of a mutual aid region or regions to combat, or with respect to regulated energy utilities, a sudden and severe energy shortage requires extraordinary measures beyond the authority vested in the California Public Utilities Commission;

- (3) "Presidential Declaration of a Federal Major Disaster or Emergency". For the purposes of a Presidential Declaration of a Federal Major Disaster or Emergency, the following definitions apply:
- (A) A major disaster is defined as any natural catastrophe (including any hurricane, tornado, storm, high water, wind driven water, tidal wave, tsunami, earthquake, volcanic eruption, landslide, mudslide, snowstorm, or drought), or, regardless of cause, any fire, flood, or explosion, in any part of the U.S. which in the determination of the President causes damage of sufficient severity and magnitude to warrant major disaster assistance under the Federal Stafford Disaster Relief and Emergency Assistance Act to supplement the efforts and available resources of States, local governments, and disaster relief organizations in alleviating the damage, loss, hardships, or suffering caused thereby;
 - (B) An emergency is defined as any occasion or instance for which, in the determination of the President, Federal assistance is needed to supplement State and local efforts and capabilities to save lives and to protect property and public health and safety, or to lessen or avert the threat of a catastrophe in any part of the U.S;
- (4) "State of war emergency" means the condition which exists immediately, with or without a proclamation thereof by the Governor, whenever this state or nation is attacked by an enemy of the United States, or upon receipt by the state of a warning from the federal government indicating that such an enemy attack is probable or imminent;
- (b) Emergency Organization consists of all personnel of the members of the Operational Area, including enrolled volunteers, and all groups, organizations and persons who may by agreement or operation of law, are charged with duties incident to the protection of life, property, or environment in this Operational Area during an emergency, shall constitute the Emergency Organization of the Operational Area;
- (c) "Incident Command System" (ICS) is a management system used for on scene field operations for small to complex incidents. The essential concepts of ICS are, unity of command, common terminology, management by objective, flexible and modular organization, and span of control using incident action plans. The ICS functions are Command, Operations, Planning, Logistics and Finance;
- (d) "National Incident Management System" (NIMS), is a federal incident management system. The components of NIMS are; preparedness, management of communications, information, resources, command, and ongoing maintenance of an emergency management program;
- (e) Santa Barbara County Operational Area ("Operational Area") is an intermediate level of the state emergency services organization, consisting of this County and all political subdivisions within the County area. The County government shall serve as the lead agency of the Operational Area unless another member of the Operational Area assumes that responsibility by written agreement with County government;
- (f) "Standardized Emergency Management System" (SEMS):
- (1) SEMS is used for managing emergencies involving multiple jurisdictions and agencies. SEMS consists of five organizational levels, which are activated as necessary;
 - (A) field response;
 - (B) local government;
 - (C) operational area;
 - (D) region (of the state); and
 - (E) state.
 - (2) SEMS incorporates the functions and principles of the Incident Command System (ICS), the California Master Mutual Aid Agreement, existing mutual aid agreements or

systems, the operational area concept, and multi-agency or inter-agency coordination;

- (g) "Unavailable" means that during a local, state, or federal emergency, an officer is either killed, missing, or so seriously injured as to be unable to attend meetings and otherwise perform their duties. Any question as to whether a particular officer is unavailable shall be settled by the governing body of the political subdivision or the remaining available members of said body (including standby officers who are serving on such governing body);

Sec. 12-4. Director Emergency Services

- (a) The County Executive Officer of the County of Santa Barbara shall be the "Director of Emergency Services" for the Operational Area;
- (b) The Director of Emergency Services shall designate an Assistant County Executive Officer to assume the role of Director of Emergency Services when the County Executive Officer is absent;

Sec. 12-5. Director of Emergency Services - Powers and Duties

- (a) The Director of Emergency Services is empowered to:
 - (1) Request the Board of Supervisors to proclaim the existence or threatened existence of a Local Emergency if the Board of Supervisors is in session, or to issue a proclamation of a Local Emergency if the Board of Supervisors is not in session. Whenever a Local Emergency is proclaimed by the Director of Emergency Services, the Board of Supervisors shall ratify the proclamation within seven days thereafter or the proclamation shall have no further force or effect;
 - (2) Recommend that the Board of Supervisors request the Governor to proclaim a State of Emergency when the locally available resources are inadequate to address the emergency, when the Board is in session;
 - (3) Request the Governor to proclaim a State of Emergency when the locally available resources are inadequate to address the emergency, when the Board is not in session;
 - (4) Control and direct the effort of the appropriate county staff for the accomplishment of the purpose of this chapter;
 - (5) Coordinate services and staff of the emergency organization of this County; and resolve questions of authority and responsibility that may arise;
 - (6) Represent this county in all dealings with public or private agencies on matters pertaining to emergencies;
- (b) In the event of a proclamation of a Local Emergency, a proclamation of a State of Emergency, a Presidential Declaration of a Federal Major Disaster or Emergency, or the existence of a State of War Emergency, the Director of Emergency Services, is empowered:
 - (1) To make and issue rules and regulations on matters reasonably related to the protection of life, property, or environment as affected by such emergency; provided, however, such rules and regulations must be confirmed at the earliest practicable time by the Board of Supervisors;
 - (2) To obtain resources needed for the protection of life, property, or the environment, and to bind the county for the fair value thereof and, if required immediately, to commandeer the same for public use;
 - (3) To require emergency services of any County officer or employee, and to request the aid of citizens to serve as registered disaster service workers;
 - (4) To requisition necessary personnel or material of any County department or agency for response and recovery;

- (5) To execute all of their ordinary powers as County Executive Officer, and special powers conferred upon him/her by this chapter or resolution or emergency plan adopted by the Board of Supervisors, all powers conferred upon him/her by any statute, by any agreement approved by the Board of Supervisors, or other lawful authority.
- (6) Once life/safety operations have concluded and emergency conditions have stabilized, emergency operations will transition from response, in which the Disaster Council acts as an advisory body, to recovery, in which the Recovery Advisory Council acts as an advisory body. At that time, the Director of Emergency Services will have the following duty:
 - (A) Establish and maintain a Recovery Advisory Council, as needed;
 1. The purpose of the Recovery Advisory Council is to provide policy and set priorities for post disaster short term and long term activities and the restoration of community services and infrastructure to pre disaster conditions;
 2. The Recovery Advisory Council members will be selected by the Director of Emergency Services to address the scope and scale of the prevailing situation;
 3. The Recovery Advisory Council may consist of the following:
 - a. Director of Emergency Services or designee;
 - b. Director of the Office of Emergency Management;
 - c. The Auditor-Controller;
 - d. Director of Public Health Department;
 - e. Director of Department of Social Services;
 - f. Director of Planning and Development Department;
 - g. Sheriff; and
 - h. Other Departments or agencies as required.
 4. The Recovery Advisory Council will coordinate initial recovery operations of County departments;
 5. The Recovery Advisory Council will provide information, coordinate recovery efforts between state and federal agencies, the Operational Area and its jurisdictions, and other entities that are part of Santa Barbara County's Emergency Organization;
 6. Based on the nature and scope of the disaster, the Recovery Advisory Council will direct safety assessments of the County's buildings in accordance with established priorities;
 7. The Recovery Advisory Council will disseminate recovery information and instructions to the public, when appropriate; and
 8. The Recovery Advisory Council will coordinate the county's disaster claims process.

Sec. 12-6. Director of Emergency Management

The Director of Emergency Services shall appoint the "Director of Emergency Management", formerly known as the Coordinator of Emergency Services. This position shall be responsible for the management of the Office of Emergency Management ("OEM") and shall coordinate the Operational Area in its readiness, response and recovery activities.

Sec. 12-7. Director of Emergency Management – Responsibilities and Duties

The Director of Emergency Management shall have the following responsibilities and duties:
