Dear Chair Wolf and Board members,

I am concerned about the impacts of the Las Varas Ranch development on coastal trails and access. I respectfully request that the Board of Supervisors:

- Support your Planning Commission and ensure that the project Environmental Impact Report is revised to fully address project impacts.
- Protect historic informal public coastal access to Edwards Point.
- Require dedication of an easement for a nearshore California Coastal Trail.
- Support the County's Coastal Plan that identifies Edwards Point as a major Coastal Park.

Please do everything possible to acquire a nearshore California Coastal Trail and protect blufftop open space on Las Varas Ranch!

Sincerely,
Nancy Kaplan

Dear Chair Wolf and Board members,

As a 2nd generation Santa Barbara native with rural roots to this beautiful land (my father was born on Bishop Ranch in 1920) I am saddened to see all the "mans ionization" going on along the Gaviota coast. Especially in areas of historic agriculture use. The very areas that make this place special! I have used the Edwards Ranch informal access since I was young (1970's) always showing respect to the ranch. Along with many county residents I am concerned with the impacts of the Las Varas Ranch development on coastal trails and access. I respectfully request that the Board of Supervisors:

- Support your Planning Commission and ensure that the project Environmental Impact Report is revised to fully address project impacts.
- Protect historic informal public coastal access to Edwards Point.
- Require dedication of an easement for a nearshore California Coastal Trail.
- Support the County's Coastal Plan that identifies Edwards Point as a major Coastal Park.

Please do everything possible to acquire a nearshore California Coastal Trail and protect blufftop open space on Las Varas Ranch!

Sincerely,

Mark Rogers
