

To Santa Barbara County Board of Supervisors:

As a Los Alamos business/homeowner, I would like to add my voice of support to the plans and improvements proposed by the owner of the Skyview Motel. The proposed improvements and wine tasting operation would be a benefit to the community of Los Alamos and the County in the form of increased sales and property tax revenues. The recent newfound interest in local winetasting and associated services, has recently been a boon to struggling local businesses and the community of Los Alamos as a whole.

The only way to accomplish this project is for the County to approve the proposed general plan amendment and rezone from Highway Commercial (CH) to General Commercial (C-2). This rezone should be approved since the CH Zone is antiquated and has a restrictive list of allowable uses. The County acknowledges this by consistently rezoning CH properties to C-2 in recent community plans, including Eastern Goleta Valley, Santa Ynez, and Los Alamos. This is especially warranted in this case due to the outlying location of the Skyview Motel next to Hwy 101 where any perceived impacts due to noise, traffic, etc. will be much reduced.

Please look favorably upon the investment to improve this corner of the County and the proposed improvements by the owner of the Skyview Motel to help make Los Alamos a more vibrant community.

To Santa Barbara County Board of Supervisors:

As a Los Alamos business/homeowner, I would like to add my voice of support to the plans and improvements proposed by the owner of the Skyview Motel. The proposed improvements and wine tasting operation would be a benefit to the community of Los Alamos and the County in the form of increased sales and property tax revenues. The recent newfound interest in local winetasting and associated services, has recently been a boon to struggling local businesses and the community of Los Alamos as a whole.

The only way to accomplish this project is for the County to approve the proposed general plan amendment and rezone from Highway Commercial (CH) to General Commercial (C-2). This rezone should be approved since the CH Zone is antiquated and has a restrictive list of allowable uses. The County acknowledges this by consistently rezoning CH properties to C-2 in recent community plans, including Eastern Goleta Valley, Santa Ynez, and Los Alamos. This is especially warranted in this case due to the outlying location of the Skyview Motel next to Hwy 101 where any perceived impacts due to noise, traffic, etc. will be much reduced.

Please look favorably upon the investment to improve this corner of the County and the proposed improvements by the owner of the Skyview Motel to help make Los Alamos a more vibrant community.

14GPA-00000-00014

An application was filed for the initiation of a General Plan Amendment on 08/01/2014 to change the General Plan Designation of the Sky View Motel property from Highway Commercial (CH) to General Commercial (C) which would accommodate a rezone of the site from CH to C-2 allowing for the retail sales of wine emanating from a tasting room on the site.

*We the Undersigned, by fixing our signatures on this petition, voice our support for the application and request the Santa Barbara County Planning Commission to allow for the initiation of the General Plan Amendment Application and direct Planning and Development to process the additional subsequent applications for the accompanying rezone and development.*
