## ATTACHMENT B CEQA Notice of Exemption

## NOTICE OF EXEMPTION

TO: Santa Barbara County Clerk of the Board of Supervisors FROM: Agricultural Commissioner's Office
The project or activity identified below is determined to be exempt from further environmental review requirements of the California Environmental Quality Act (CEQA) of 1970, as defined in the State and County Guidelines for the implementation of CEQA.
APN:N/A Case No.:N/A
Location: Throughout the County of Santa Barbara.
Project Title: Light Brown Apple Moth Agreement No. 14-0502-SF
Project Applicant: Santa Barbara County Agricultural Commissioner's Office
Project Description: This is a United States Department of Agriculture contract administered by the California Department of Food and Agriculture for funding the Commissioner's office limited to monitoring traps for the invasive insect pest, the Light Brown Apple Moth (LBAM). The traps are located in cropland areas of Santa Maria, Lompoc, Cuyama, and Santa Ynez.
Name of Public Agency Approving Project: <u>Board of Supervisors, County of Santa Barbara</u> Name of Person or Agency Carrying Out Project: <u>Santa Barbara County Agricultural Commissioner's Office</u>
Exempt Status: (Check one)  Ministerial Statutory Exemption Categorical Exemption Emergency Project X Not a Project: Section 15378(b)(4)
Cite specific CEQA and/or CEQA Guideline Section: Section 15378(b)(4)- Creation of government funding mechanisms which do not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment.
Reasons to support exemption findings: <u>The project is to create a government funding mechanism</u> which would then allow for monitoring insect traps and has no potential for significant environmental <u>impact</u> .
