Dear Ms. Miyasato,

Thank you for your support in Southern California Gas Company's (SoCalGas) continued deployment of our Advanced Meter network in Santa Barbara County.

Pursuant to the Santa Barbara County Board of Supervisors' approval on April 5, 2016, we look forward to working with county staff to amend the County's Telecommunications Ordinance to exempt SoCalGas' data collector units (DCUs) from County and Montecito Land Use and Development Code. As we proceed through the amendment process for an ordinance exemption, SoCalGas agrees to reimburse all county staff costs directly associated with that process.

Sincerely,
