Santa Barbara County Board of Supervisors  
Clerk of the Board  
105 E. Anapamu Street, Rm. 407

Santa Barbara, CA 93101

Dear Chair Adam and Board of Supervisors,

This letter is to voice my support for the proposed project at 1154 Channel Drive (Olsten Trust). As previous Chair of the Montecito Board of Architectural Review (MBAR), I have reviewed the progression of this project over the last 2 years. During this process, the architect and owners have created a project that is extremely sensitive to the neighbor's concerns as well as the community.

Through its evolution, this project has repeatedly been consistent with the Montecito Architectural Guidelines and Development Standards as well as the Montecito Community Plan and follows all County and Coastal Zoning regulations. In addition, the project is aesthetically pleasing, a dramatic improvement over what is existing, and an overall welcome addition to Channel Drive.

I strongly urge the Board to consider all these facts and approve the proposed project at 1154 Channel Drive.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Eichelberger". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
