·								
I am interested in serving on the Santa Barbara County Arts Commission to help bring more visibility and								
organization to the multitude of cultural and artist offerings throughout Santa Barbara County. I have deep								
experience serving on non-profits boards and commissions within Santa Barbara County and will bring an								
interesting perspective to the Commission. I also have relevant experience working directly with museum								
directors, artists, musicians, and administrators.								
13. ADDITIONAL INFORMATION: Give any information explaining qualifications, experience, training, education, volunteer activities, community organization								
memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional sheets as necessary.								
In my professional career most specifically in the Finger Lakes Region of New York, I worked closely and in								
partnership with several internationally recognized museums, including The Corning Museum of Glass, and								
regional arts councils for artist receptions and gallery tours. When I owned and operated a winery and tasting								
room, we regularly hosted artist receptions and made our space available for artist gallery space.
