Pepper Hill Homes Association  
Lynn Stokes-Peña, Esq.  
380 Woodley Road  
Santa Barbara, CA 93108

Dear Ms. Stokes-Peña:

This letter is in response to your request for the California Highway Patrol (CHP) to provide enforcement of the California Vehicle Code (VC) on the privately owned and maintained roadways of Glenview Road and Woodley Road in the unincorporated area of Montecito. Should your association comply with the provisions set forth in Sections 21107-21107.7 VC, in cooperation with Santa Barbara County, the CHP would be authorized to enforce the California Vehicle Code accordingly.

Please note that should the aforementioned sections be implemented, the CHP is not *required* to provide patrol or enforce any provisions of the California Vehicle Code on any privately owned and maintained road, which would include Glenview Road and Woodley Road in the Pepper Hill Homes Association.

Should you have any questions, I can be reached at (805) 967-1234.

Sincerely,

A handwritten signature in blue ink, appearing to read "M. D. D'ARELLI".
