2. Amendments.

- a. The Agreement is amended as follows:
 - 3.1. INITIAL PAYMENT AND IMPLEMENTATION: Member will be charged an initial payment for implementation up to an amount not to exceed \$1,237,197.00 calculated in the manner and based on the projected volume of billable visits indicated on Exhibit P. The Initial Payment is payable by Site as follows: 50% upon execution of the Agreement; and 25% payable no later than 90 days after the execution of the Agreement with the remaining 25% due and payable within 14 days after Effective Date February 26, 2018 and with the completion of User Acceptance. Member will make reasonable efforts to complete dress rehearsal on February 26, 2018 and go live on February 27, 2018 according to the scheduled implementation plan which will be completed after the execution of this agreement. If the scheduled implementation dates are not met due to delays by Member, OCHIN reserves the right to begin charging maintenance fees, including those described in Section 3, based upon projected annual billable visits as of the agreed upon effective date. Any revision to the implementation dates must be mutually agreed to by OCHIN and Member in writing and with signed approval by the PHD Director.

Exhibit AA Business Continuity Access Requirements

Unless otherwise defined, capitalized terms in this Exhibit have the meanings given on the Cover Pages or the other exhibits.

- 1. Purpose. The purpose of this exhibit ("Exhibit") is to identity Member's obligations for responding to an emergency or other occurrence that damages or destroys Member's access to patient information maintained using the System ("Access Failure"). It is the intent of OCHIN and Member that this Exhibit will meet Epic requirements regarding the access to patient data in the event of an Access Failure and will also meet Epic's Good Maintenance and Accreditation requirements.
- 2. Business Continuity Access Requirements. In the event of an Access Failure, and for so long as the Access Failure continues, Member is responsible for maintaining and will maintain access to a physical copy of the Member's scheduled appointments and all relevant patient clinical data for each patient on the schedule. The requirements of this Section 2 will not apply if Member ceases clinical operations during the Access Failure.
- 3. Business Continuity Plan. In addition to the requirements of Section 2, Member hereby adopts and implements the Business Continuity Plan as indicated by Member below:

Member shall obtain and maintain a workstation and printer connected to an uninterruptable power supply (UPS) or a cellular service and Internet mobile access device, in accordance with and as more thoroughly described in the attached workflow and Wi-Fi hotspot diagram ("Attachment 1"). In the event of an Access Failure, Member will use the workstation and printer or cellular service and Internet mobile access device to meet the requirements of Section 2.

- 3. <u>Customer Service</u>. TeleVox personnel will be available by toll-free telephone call from 7:00 a.m. to 8:00 p.m. (CST) (or other regular support hours established from time to time by TeleVox) to answer questions regarding the TeleVox Services, including questions regarding procedures for the TeleVox Services, diagnosing and correcting problems with TeleVox equipment, software, and telephone lines comprising the System, use of reports, and the interface for the TeleVox Services. When calling TeleVox for support, Member personnel are required to provide a reference number issued by TeleVox for identification.

- 4. **Payment**. Member will pay OCHIN an implementation charge of \$990 within ten days of executing this exhibit. Thereafter, Member will pay OCHIN monthly fees equal to OCHIN's direct per Contact cost under the TeleVox Agreement (or any amendment, extension, or renewal thereof) for Contact made that month on behalf of Member, currently \$0.15 per contact. Monthly fees will be invoiced on a monthly basis for Contact made in the previous month and are due and payable in accordance with Exhibit B, Section 33.
- 5. **Termination**. OCHIN may terminate the TeleVox Services upon termination of this agreement pursuant to Section 26 of Exhibit B, or at any time if the TeleVox Services are no longer available from TeleVox on the terms set forth in the TeleVox Agreement, whether by expiration, termination, nonrenewal, or breach of the TeleVox Agreement or otherwise. Member may terminate the TeleVox Services (a) upon termination of this agreement pursuant to Section 26 of Exhibit B, (b) upon renewal, amendment, or extension of the TeleVox Agreement resulting in a material price increase to Member, or (c) within 30 days written notice to OCHIN. OCHIN agrees to provide Member 20 days' advance written notice of any material renewal, extension, or amendment of the TeleVox Agreement, and Member's right to terminate the TeleVox Services pursuant to preceding clause (b) is conditioned upon Member providing OCHIN with written notice of Member's intent to terminate within ten days of receiving notice of the renewal, extension, or amendment. If the TeleVox Services are terminated by Member pursuant to Section 26 of Exhibit B, Member will be responsible for (without limiting any amounts payable under Section 26 of Exhibit B) immediate payment of an amount equal to the minimum monthly fees specified in clause (b) of Section 4 above through the expiration of the TeleVox Agreement (including any one-year renewal period that has commenced at the time of termination).
- 6. <u>Disclaimer of Warranties</u>. Except as expressly provided in this exhibit, OCHIN makes no express or implied warranties or representations with respect to the TeleVox Services, whether oral or written, express, implied, or statutory. Without limiting the foregoing, any implied warranty of merchantability, and the implied warranty of fitness for a particular purpose, are expressly excluded and disclaimed.
- 7. **Effect of Amendment**. This exhibit sets forth the terms and conditions for provision of the TeleVox Services only, and does not otherwise alter or modify terms and conditions set forth in the Cover Page and the other exhibits of this agreement.
- 8. <u>Counterparts</u>. This exhibit may be executed in counterparts, which together will constitute one exhibit . Fax or other electronic transmission of any signed original document, and re-transmission of any signed fax or other electronic transmission, will be deemed equivalent to delivery of an original. At the request of either party, the parties will confirm fax or other electronically transmitted signatures by signing an original document.
